THE SOUTHEEN KNOW NOTHINGS .- The basest political trick of the present day is the abandonment of Fillmore by the Southern Know Mothing. They forced him upon their northern brethren, and compelled them also to adopt a pro-slavery platform; and now, after having everything their own way in the national or-ganisation, they are dropping Fillmore on all hands, sid rashing over to Buchanan. Here is a parsgraph indicating the current of events: "The Charleston (South'Carolina) Ecening Nex: is supporting Buchanan and Breckenridge.— That paper has heretofore been an advocate 'Americanism," and its editor, John Cunning-ham, Esq., was a delegate to and one of the Vice-Presidents of the first Philadelphia Know Nothing, Convention." The Washington correspondent of the Phile-delphia North American writes: "The Hon.
