FREMONT IN THE EIGHTH WARD.—At a meeting held in the 8th ward last night to organize a Fremont Club, Mr. Wm. Woods, was called to the Chair, and John L. Hamilton elected Secretary. The 2d ward Glee Club was in attendance and sang the famous "Few Days," song. The Schoolhouse was crowded with Fremonters.

The President announced the following committee on organization: Messrs. Kim, Neeley, Munn, Stoer and Allen. During the absence of the committee, Dr. Garram addressed the meeting in his usual able manner.

The permanent organization is as follows:

President—John A. Sergeant. Vice Presidents—Conrad H. Bauerman, Jacob Haller, W. H Everson, George More, R W Roberts. John Munn, C. Prosser, Wm Woods, Joseph Kunz, David Hutchison, Thomas Neely, Thomas Robert.

Secretaries—E. J. Allen, John L. Hamilton, G H. Neufer.

Executive Committee—Oliver Blackburn, Wm. H Everson, John Redmond, C. B Bauerman, Simpson Horner,

Mr Neufer, a German was addressing the meeting when we left.

A MADMAN.—Our readers doubtless all recollect Pierce Kelly, who in a fit of insanity rode into the post-office west bute and broke many of the windows of the house, and who on another occasion rode into the Second Presbyterian church. He resides in Robinson township, and is seized only occasionally with these fits. He came into the city yesterday under the influence of one of these attacks but before he did any damage he was locked up in the tombs. There he became dreadfully excited, tearing up the bricks of his cell and hurling them against the windows in front. He was removed to a cell, the floor of which was planked, but he broke the boards to splinters. After his passion subsided somewhat, he was taken to the jail, where by good management he was got within the bars without any further violent demonstrations.

STREET GRADING AND PAVING IN ALLEGHENY.—The Councils of Allegheny, at a special meeting ordered the grading and paving of the following streets and alleys:

Union alley; Beaver-st.; Poplar-st.; Hemlock to Poplar-st.; James, from Shanopin to Hemlock; Perry, from East Lane to Chestnut-st.; Green, from same to same; Leslie-st. The width of the side walks on Bank Lane, from Craig street to the intersection with Bank Lane, was fixed at twelve feet.

HABEAS CORPUS.—D. D. Bruce, Esq., yesterday procured a writ of habeas corpus to issue in the case of D. C. Carr and J. W. Barton, who have been lying in jail for some time on the charge of stealing lumber from a man named Brown, upon which they were brought before Judge M'Clure in chambers for a hearing. His Honor fixed the amount of bail for each in $300, which they gave, and were discharged. Matthew I. Stewart, Esq., appeared for the Commonwealth.

THE CHARGE OF MURDER.—Alderman Johns yesterday afternoon examined several witnesses in the case of Andrew Zimmerman, charged with having murdered one Joseph May, two years ago on board the steamer Corsplanter. The evidence elicited was sufficient in the magistrate's opinion to warrant the final committal of the accused for trial, which was accordingly ordered.

POLE RAISING.—The Fremont citizens of Allegheny will raise a Fremont pole, 160ft. long, on Ohio St., opposite Rawle's Hall, the head quarters. The flag, made by fifteen German women of the 8d Ward, will be elevated at half past seven o'clock, when speeches will be made by distinguished orators. Young's Brass Band will be present, as will also The Second Ward Glee Club. A string time may be anticipated.

A POLL RAISING—ROLL ON THAT BALL.—A Poll Raising will take place at *Fremont Head Quarters*, on Ohio street, Allegheny, on Thursday (this) evening, at 7½ o'clock. Young's Brass Band, and two Glee Clubs will be present. The people are rising. There is no stopping the enthusiasm for Fremont. Hurrah for the Rocky Mountain Boy.

ALLEGED LARCENY.—A boy named Philip Struble, pedlar of cigars and cheap jewelry, was arrested by the Mayor's police yesterday, at the instance of a butcher named Henry Plymer, who charged him with the larceny of $80 from his till in the Diamond Market House on Tuesday of last week. The evidence was not conclusive and the accused was discharged.

A FINE STATUE.—P. Siebert has completed the clay model of a statue of St. Roque, which he is to cast in plaster for the St. Michael's Catholic Church of Birmingham. The model is about eight feet high, and is a very fine piece of art. The statute will be placed at the right side of the altar of the church.

MAKE A NOTE OF IT.—Alderman McMasters yesterday gave judgment against the plaintiff in two civil cases. This may seem not very remarkable, but it is—as it is confidently asserted that there is not another instance of a like result on the docket of any civil magistrate in the city.

DISCHARGED.—We noticed a day or two ago the arrest of a man named John Hay, for the alleged larceny of $43 from his room-mate, Jas. Kerr. The accused had another hearing before Mayor Bingham, yesterday, resulting in his honorable discharge, there being no evidence against him.

CIVIL ACTION.—Sarah D Wilkins, the female who was beaten at a house of ill-fame a few days ago by Robert McCutcheon, yesterday brought suit in the District Court against that individual for damages. The amount claimed is $1000.

UNLICENSED LIQUOR SELLING.—A man named Peter Grundy was held to bail by Alderman M'Henna yesterday, for selling liquor without license. The informer is a man named Robt Murphy.

See advertisement in another column of Elliott's Map of the United States.

(From the Boston Saturday Evening Gazette.)

A Perfumed Handkerchief.—What lady or gentleman would vouch under the curse of a disagreeable breath when by using the "Balm of a Thousand Flowers" a delightful perfume would not only render it sweet, but leave as a description would not only render it sweet, but leave as a description would not only render it sweet, but leave the teeth white as alabaster? Many persons do not know that their breath is bad and the subject is so delicate that friends will never mention it. Put a single drop of the "Balm" on your tooth brush and wash the teeth night and morning. A fifty cent bottle will last a year.

A SURE CURE FOR CONSUMPTION may easily be procured by using the "Balm of a Thousand Flowers." It will remove all pimples, and freckles from the skin, leaving the soft, pure and rosate hue. If you feel, poor on your face three drops, and wash the face night and morning.

SHAVING MADE EASY.—Wet your shaving-brush in either warm or cold water, pour on two or three drops of "Balm of a Thousand Flowers," rub the beard well and it will form a perfumed lather in three minutes facilitating the operation of shaving. Price only fifty Cents.

MONETARY AND COMMERCIAL.

We give below the monthly statement of the Pennsylvania Railroad for July, in connection with the first six months of the year. It will be observed that the receipts continue as large and steady. It must reach $1,000,000 by the end of the year:

Receipts of the road for month ending July 31st, $322,672 99
Same month last year, 317,019 34
Increase, $16,153 65
Receipts from Jan. 1, 1856, to Aug. 1, 1856, $2,248,953 15
same period last year, 2,157,978 71
Increase, $290,281 44

Money has been in demand to-day at rates fully up to last week's quotations. No loans on call can be made below 7 W cent.

The Bank statement shows a decrease in each department to-day:

Decrease in loans,	$29,241
Decrease in deposits,	1,241,427
Decrease in specie,	1,057,550

This is less favorable than was anticipated, particularly in the item of deposits. There has undoubtedly, within the past week been a considerable shipping of loans from stock to paper.—N Y Trib.

FROM LAKE SUPERIOR.—The Propeller Mineral Rock, Captain Frasier, is on port discharging copper, as follows: For Hussey & Sumner, from Ohio Mine, 48 bbls ore, 34,120 lbs. 107 bbls stamps, 169,833 lbs; 60 masses 130,178 lbs, and for Hanna, Garretson & Co., from North American Mine, 14 masses, 94,663 lbs; 3 bbls 1850 lbs.—Lake Her.

The money market is tightening up. The demand for money is increasing, and although the banks are still discounting freely, the offerings of paper on the street have decreased materially within the past few days. Street rates have in consequence advanced. We now quote first class endorsed paper at 6@8 per cent., and good at 8@12 per cent. Call loans can be made at 6@7 per cent.—Bait Amer.

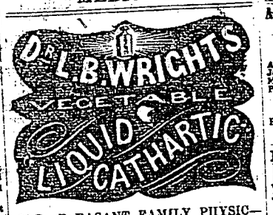
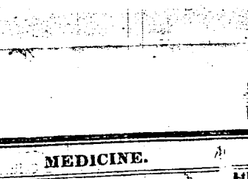
MEDICINE.



Health and Strength must Inevitably follow its Use
BOERHAVE'S
HOLLAND BITTERS



THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND,
FEVER AND ACUE,

AND the various affections consequent upon a disordered Stomach, Liver, Kidneys or Blood. Such as Costiveness, Heartburn, Loss of Appetite, Drowsiness, Costiveness, Blind and Bleeding Piles, Rheumatism and Neuralgia, Adipose Affection. In all nervous, chronic and constitutional complaints, it has been numerous instances proved highly beneficial, and in others checked a decided cure.

Nature lends no new energy to combat, with this delightful tonic in the system. Its effect are almost magical, and for which no certain or speedy relief could be obtained, but by securing to its vital source to which the system, can only be restored to its original health and vigor. Its operation is mild and certain, enables it to throw off the cause, and thus restore the patient to health.

When its medicinal virtues are so universally acknowledged, and particularly where it has been so long employed, and particularly resident, and still some who have tried many advertised remedies, and still suffer from the scourge of the country, dyspepsia, we subjoin the following certificate, the authenticity of which cannot be doubted, coming as it does from a person so well known.

What it is doing for the Sick.

Wm. Schickhaus, the well known lithographer, says: "I have frequently used Boerhave's Holland Bitters, and find it invariably relieves me of dyspepsia. I would recommend every dyspeptic to try it with them."

J. W. Woodruff, Esq., says "I have used Boerhave's Holland Bitters myself, and recommended it to others, knowing it to be just what it is represented.

Mr. Rose has used them in his family, says, "I have derived great benefit from its use for weakness of the stomach and indigestion."

Mr. Murphy says: "After several physicians had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Allstanding Free Press says: "After one of the best physicians in the place had failed, Boerhave's Holland Bitters relieved me of the severe form of dyspepsia."

Mr. Reynolds Felix, only manufacturer of the "original Extract of Sarsaparilla," says: "I know that your Holland Bitters is one of the best medicines in the world for a disordered stomach or liver."

Dr. Louis Stellar of the "Factal," Baltimore, pronounces it a valuable remedy in correcting the condition of the public.

Dr. Eberhart, the healthy physician of Penn-township, says: "I have used it during the last 3 years, with marked success, in debilitated states of the digestive organs, and in dyspepsia generally."

The manager of Dalley's Vinegar Factory says, "I have used it in my family, and have derived benefit upon my wife, (troubled with the great debility common to all of consumptive habit), and really it is doing her more good than anything she has ever taken."

NOTICE.—Whoever expects to find in this a beverage will be disappointed; but to a weak, weak and low spirited it will prove a grateful aromatic cordial, possessed of the most powerful medicinal properties.

CAUTION.—The great popularity of this delightful Aromatic Tonic has induced many base imitations to be introduced under a similar name, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters one bottle will convince you how infinitely superior it is to all other bitters.

Price $1 per bottle, or 6 bottles for $5.00, by the sole Proprietors,
