CHURCH MEETING.—Agreeably to notice given the members of the A. R. Church, Manchester, opposed to the instalment of J. C. Steel, Pastor of said congregation, assembled in the lecture room of the Presbyterian church in said borough. The meeting was organized by calling J. P. Ross, Esq., to the chair, and the appointment of J. H. Logan, Esq., Secretary. The object of the meeting as stated by the chair, was to take some action in regard to the reference of the difficulties existing in this congregation to Synod for final investigation and settlement.

The following preamble and resolutions were adopted:

Whereas, The Presbytery of Monongahela having referred the whole matter of the difficulties existing in this congregation to Synod for final investigation and settlement, therefore

Resolved, That we will oppose the installation of J. C. Steel as pastor of this congregation, and that we will withhold all pecuniary aid until he is removed.

Resolved, That a committee, consisting of six persons be appointed, for the purpose of having the whole proceedings in this case published, for distribution, and that this committee appoint commissioners to attend the meeting of Synod and lay before them a full statement of all the difficulties and defect of our case.

The following gentlemen compose the committee: Wm. B. Ross, Thomas Murdoch, William Anderson, S. H. McClelland, J. P. Ross, and J. H. Logan.

After appointing a committee to raise funds to pay for having the whole proceedings in the case published, the meeting adjourned to meet at the call of the chairman.

J. P. ROSS, Prest.

T. H. Logan, Sec'ty.

INDEPENDENCE FREMONT MEETING.—Last evening the Allegheny County Fremont Club, had a house-warming at Lafayette Hall, it being the first meeting held at their new head-quarters. The hall was packed with one of the finest audiences ever assembled within its walls. Its capacity has very much increased by the erection of a gallery entirely around the room. Every inch of standing room was occupied.

At precisely twelve o'clock, yesterday, a splendid flag was run out from the head quarters, and three cheers were given by those present in honor of Fremont, who, fourteen years before, planted the flag of the Union on the highest peak of the Rocky mountains.

The meeting in the evening was also in honor of the same event. Young's Brass Band and the truly excellent Second Ward Glee Club were in attendance. The speakers, whose addresses were all brief, were Dr. Gazzam, Mr. Spear, of Kansas, Messrs. D. L. Eaton, Howard, Collier and Bigham.

PIONEER FREMONT CLUB.—Excelsior Hall, Allegheny, was crowded again last evening, notwithstanding the meeting in town, by the ardent Fremonters of Allegheny.

The President of the Club, Josiah King, Esq., opened the meeting with a few practical remarks, after which the Pioneer Glee Club sang an excellent refrain.

Messrs. J. W.F. White and J. M. Kirkpatrick, the orators of the occasion occupied the remainder of the evening in delivering very able and eloquent adereases.

The similar meetings of this Club are looked forward to with great interest, and when the evening arrives the Hall is sure to be crowded.

FIFTH WARD REPUBLICANS.—Please take notice that the election of Delegates to the Union County Convention to be held in the Court House on Wednesday next, will take place at the Rooms of the Fifth Ward Fremont Club, on O'Hara street, this evening between the hours of 6 and 8 o'clock, instead of at the School House. It is earnestly desired that all who are opposed to the present Administration, and the extension of Slavery, will not fail to be in attendance.

THOS. A. MCMASTER.

HIGHWAY ROBBERY.—An elderly man named Joseph Andrews was robbed of a watch, $20 and two promissory notes on the Highway, ten miles above Birmingham, on Monday last by three men named Patrick Hughes, John Finney and James Mulholland. Two held him while the other possessed himself of his valuables. The watch and pocket book minus the money were afterwards recovered. Mr. Andrews is from McKeesport.

BURGLARY.—The boarding house at the corner of Liberty and Smithfield streets, was entered by a burglar on Thursday night. He took a pocket-book belonging to the contractor of the Odd Fellows Hall, containing notes of hand to the value of $1,000, and some cash; and a pocket-book belonging to a blacksmith of the Fifth Ward, containing $1.75 A stone-mason's pantaloons containing $75 were left undisturbed.

A cripple named John Birney was arrested on suspicion, and was fully committed by Mayor Bingham yesterday, to answer the charge.

A Perfumed Breath.—What lady or gentleman would remain under the curse of a disagreeable breath when the use of "Sozo-dont, a Thousand Flowers," as a dentrifrice would not only render it sweet, but leave the teeth white as alabaster? You Deserve Credit for Your Discovery

PROFESSOR WOOD'S HAIR RESTORATIVE is one of the most wonderful discoveries of this age of progress, for it will restore permanently gray hair to its original color, the hair of a lady with a most luxuriant growth, remove at once all dandruff and itching, cure all scrofula and other cutaneous eruptions, such as scald-head, tetter, ring worm, salt rheum, sores, or personal headache, make the hair soft, glossy and wavy, and preserve the color perfectly. Also, it will prevent the hair from falling, to extreme old age.

The following is from a distinguished member of the medical profession:

PROFESSOR J. J. WOOD—Dear Sir: Recollecting I send you this certificate. After being bald for a long time, and having tried all the remedies that I could hear of, and with no faith in any, I was induced, on hearing of yours, to give it a trial. I commenced myself in the hairdressing line, and had my head rubbed with a good stiff brush and the destructive matter applied, and well rubbed in till the scalp was sore. This I repeated every morning, and in three weeks the young hair appeared and grew rapidly from the outset left the former time and is now thick, long and strong—soft and pleasant to the touch whereas before it was harsh and wiry. What little there was of the hair that little was disappearing very rapidly. I still use your restorative, and the result is that I shall remain the owner of a perfect crop of hair. Now I had read at these things—and who has not? but have never given credence to them, there are my friends who was really benefited by one of the hair tonics, etc., of the days and it really gives me pleasure to record its virtues, for I consider it a duty to recommended your preparation to others and it already has a large and generally distributed sale, and I am glad the people here know its effects and have confidence in it. The supply you sent me is nearly out, and I wish a new one forwarded immediately, and daily enquiries are made for it. You deserve credit for your discovery, and I, for one, return you my hearty thanks for the benefit it has done me. I certainly had deserved long ago of ever effecting any such result.
Yours, truly, C. W. M.

PROFESSOR WOOD—Dear Sir: Having made a trial of your HAIR RESTORATIVE I take pleasure in saying that its effects are excellent in removing inflammation, dandruff and a constant tendency to itching, with which I have been troubled for years. In short, I am now free from all these troubles, and in consequence am free from the pitiful circulets stored my hair, which was becoming gray to its original color. I have used no other article which has produced the same pleasure or profit. Yours truly, J. K. BRAGG

MONETARY AND COMMERCIAL

THE DANIELL, LAUCH.—Nothing has transpired of much interest in connection with the sinking of this boat on Saturday in the Missouri, in addition to what we stated yesterday.

The Hannibal arrival yesterday from the scene of the disaster, bringing a quantity of the damaged freight, on which she will of course claim salvage. Captain Fulton informs us that between 600 and 700 bales of cotton, 80 sks of wh at, and some 20 hogsheads of tobacco, are the quantity and description of freight that will prove a total loss. The boat had been sold for $10,000, and was to have delivered on her return to Captain Miner of the J. H. Lacon, which was burned recently. She was insured on cargo $21 00 in the following Pittsburgh offices: Western, (limited,) Eureka and Reserve. When the Hannibal arrived at Memphis, the Daniell, Lauch, was reported as sinking in 12 feet water. She was lightened on Sunday morning, it had reached to within a few feet of her upper deck, and was about to leave last evening for the scene of the mishap. Should any of the pumps of the sunken boat work, a few days would suffice to haul her near enough to the shore to be raised, but otherwise it will be impossible to get her off until the river falls. A hail-boat left here on Wednesday for the scene of the disaster, with a full complement of hands, and provisions for the trip. The Cincinnati Gazette says: "The Daniell, Lauch, was a new boat, and was the finest model of her class. She was built for the Fulton & Nelson steamboat line, and was considered the only boat of her particular model ever reported as having left the ways. She was owned by Captain Fulton and Mr. Daniell, and was insured for $40,000 in the Cincinnati offices. She was a new boat, notwithstanding the immense cargo on board.

It is said she not be raised, the entire loss on boat and cargo will probably amount to not less $250,000.

BALTIMORE AND OHIO RAILROAD.—The usual official statement of the operations of the road during the month of July exhibits the following results:

	Main Stem.	Wash'n Branch.	Tot'l for July.
For Passengers,	$63,265 46	$ 9,370 87	$72,636 33
For Freight,	317,379 56	7,196 28	324,575 84
	$380,644 99	$16,567 15	$397,071 97

Three figures, 1856, compared with the receipts for July of 1855, show that on the main stem there is now an increase from passengers, of $11,961 61, and from freight of $50,000. On Washington branch there is an increase from passengers, of $1,643 01, and from freight of $1,422 72. Total increase for the month $64,027.

The money market, from some cause not satisfactorily explained to many, is gradually tightening up. There is no very urgent demand here for money, the supply is quite up to the demand, but rates are steadily advancing or, more properly speaking, the credit of paper is daily getting more depreciated. Commercial paper cannot be placed better than 8@9 w cent discount and good railroad paper at10@12 ₱ cent. There are no particular reasons that there are to account for what is estimated good paper with stock collateral at from 1¼ to 1½ ₱ cent ₱ month discount.—Phila Ledger.
