O. & P. HORSE EXHIBITION.—The third Ohio and Pennsylvania horse exhibition will be held in the park at Salem, Columbiana county, Ohio, on the 3d, 4th, 5th and 6th of September, and the Board of Managers have been unusually active in making arrangements for the occasion.—We see from a circular with which we have been furnished, that the premiums offered are very liberal. On the last day of the fair, at 2½ o'clock the ring will be given up for ladies' equestrianism. In this connection we will insert the following:

The ladies of Columbiana, Mahoning and Trumbull counties, challenge the States to beat them in feats of equestrianism on that occasion. The managers would say that owing to the disagreeable state of the weather and the bad condition of the track at the last exhibition, the equestrian performances were abandoned at that time. They have the pleasure of announcing that the track is now in the best of order, and the early day at which the exhibition is to be held, renders it highly probable that they will be favored with good weather on that occasion."

Among the celebrated horses already entered are "Frank Pierce," "Grey Eagle" and "Vermont Boy," and a large number of trotting and pacing mares and stallions. To the lover of fine horses, the opportunity will be acceptable to see and admire the rarest animals of the country.

PITTSBURGH FEMALE COLLEGE.—The Rev. L. D. BARROWS, of Cincinnati, Ohio, was in the city, on Thursday, the 14th inst., for the purpose of meeting with the Board of this Institution, to present in person his acceptance of the Presidency.

The Faculty will be composed of the following persons:

Rev. L. D. BARROWS, President, and Professor of Mental and Moral Science; Mrs. L. D. Barrows, Governess, and Teacher of Physiology; Rev. C. C. Knowlton, Professor of Ancient Languages and Mathematics, Mrs. SUSAN A. KNOWLTON, Principal Preceptress; assisted by Miss Matilda Markham and Miss Clapp; Miss M'nerva Howe, Teacher of Music, &c.; Mr. Alex. Bouchet, Professor of Penmanship; and Madame Bruchet, Teacher of French.

The Fall Term of the College will commence on Wednesday, the 17th of Sept.

PRISON DISCIPLINE SOCIETY.—The *Christian Advocate* says this praiseworthy association is quietly moving forward in trying to improve the morals of the prisoners confined in the County Jail. We learn from Rev. P. M. McGOWAN, who was constituted a Committee, by the Society, several weeks ago, to supply the Jail with preaching on Sunday afternoons, that Revs. Wm. Lynch, D. P. Mitchell, and A. L. Petty, of the Methodist E. Church, and Rev. G. Bassell, of the German Reformed, and Rev. John G. Brown, of the A. R. Presbyterian Churches, have filled the appointments during the last five Sabbaths. Much praise is due Mr. Phillips, the Jailor, for the efficient services rendered by him in aiding the object of the Society.

OCCULTATION.—The occultation of the planet Jupiter occurred last night. The *Chronicle* contained the following yesterday, concerning the event:

"The moon and the planet will rise nearly in the same point of horizon, a little to the north of east; the moon preceding and the planet following. As they ascend together to the southeast quarter of the heavens, their angular distance will gradually decrease, and at midnight the two bodies will appear almost in contact.—The period of complete occultation will be about fifty-four minutes."

LIQUOR CASES.—James Norris was arrested yesterday by warrant of the Mayor for selling liquor on Sunday, and for selling without license. The first suit was brought by Thomas and the latter by John Welsh. Norris keeps a drinking house on Smithfield street, near Sixth street.—He was committed to answer, in default of bail.

High constable King also brought suit against William Einstein and P. Porter, lager beer restaurateurs, residing in Quarry street, Fifth ward, for selling on Sunday. They were arrested and held to bail.

FREMONT MEETING IN BIRMINGHAM.—A meeting of the friends of *Fremont and Freedom* will be held on Tuesday evening, August 19th at 7½ o'clock at the Market House in Birmingham.

R. H. Irish, Esq., (late from Kansas), W. E. Stevenson, J. M. Kirkpatrick, D. L. Eaton and others will address the meeting. The Second Ward Glee Club will also be there. Rally Freemen in defense of your cause.

FIRE.—About ten o'clock on Monday morning, a fire was discovered upon the roof of the *St. Charles Hotel*, having its origin, probably, from a spark from a chimney. The engines were promptly on the ground and extinguished the flames, but not until the roof was much injured.

TARENTUM CAMP-MEETING.—The camp-meeting at Tarentum will commence on Thursday next. Special trains on the Allegheny Valley Railroad will be run during the meeting. Fare, 60 cents the round trip. The meeting will close on Thursday the 28th inst.

REV. W. HUNTER, D. D., formerly editor of the *Christian Advocate*, now Professor of Hebrew and Biblical Literature in Allegheny College, was in the city last week. Dr. H. and Professor HARNETT, of the same college, started yesterday for Meadville.

UNMUZZLED DOGS.—A German named Schreiber complained yesterday, before Alderman Parkinson that he had been bitten by one of two unmuzzled dogs which attacked him. A warrant was issued for the owner of the biting dog—a man named Toner.

POLITICAL EXCITEMENT.—All of interest in the city, yesterday, centered in politics, electioneering and log-rolling being the order of the day.—Every return of the delegates from the county districts served as the basis of a new calculation, and no the excitement was kept up.

PATENT RUMOR.—We regret to learn that a rumor is in circulation that Andrew Taggart, a highly respectable citizen of Duquesne borough, was fatally bitten by a rattle snake on the mountains. We trust the rumor may prove incorrect.

FREMONT POLE RAISING.—The Fremonters of the 5th Ward will raise a pole, 165 feet long on Saturday evening, corner of O'Hara and Penn streets. Distinguished speakers will be in attendance.

EDUCATIONAL.—We refer our readers to the card of Miss M. Wotring in another column. The Female Seminary of which she is the accomplished Principal, will commence its fall term on Monday, September 1st. Those parents who desire the elements of a thorough education for their children cannot do better than by placing them under the care of Miss W.

BARN BURNT AT SEW.—A boy named McCluskey, of Pitt'sp., was attacked by a sow on Saturday, knocked down and bitten in the skull. As the sow released its hold to take a fresh one, the mother rescued her boy.

[From the Boston Saturday Evening Gazette.]

A Perplexed Dream.—What lady or gentleman would remain under the curse of a disagreeable breath when by using the "*Balm of a Thousand Flowers*," as a dentrifice would not only render it sweet, but leave the teeth white as alabaster? Many persons do not know their breath is bad, and the subject is so delicate their friends will never mention it. But a single drop of the "Balm" in your tooth brush, and wash the mouth well morning. A fifty cent bottle will last a year.

A Solution.—Dyspepsia may readily be cured by using the "*Bitters of a Thousand Flowers*." It will remove the pain, produce a fine appetite, leaving it of a soft and tractable hue. Wet a towel, pour on two or three drops, and wash the face night and morning.

Insuring Hair.—Let your young brush in either warm or cold water, pour on two or three drops of "Balm of a Thousand Flowers," and it will do the rest. It will make a beautiful soft lather much facilitating the operation of shaving. Price only Fifty Cents.
