Associate Judge.

MR. EDITOR.—Amid the many names announced as candidates for the office of Associate Judge, the name of William Bogge, the present worthy incumbent, does not appear. This is not owing to the fact that he is not a candidate for re-election, on the contrary his numerous friends did not deem publication necessary, inasmuch as his official conduct having given such general satisfaction—his responsibility, it was supposed, would be generally acquiesced in.

We fear, however, the silence of his friends may be misconstrued by the convention, we deem it proper to say that he is a candidate for nomination, and submit his claims to the convention with the full assurance that his fidelity, judgment, experience and integrity will not be overlooked, but receive that consideration always rendered to faithful servants, commendation by contemporaries in place. Untried experiments in judicial office seldom lead to advantage; let us be content with that we have proved. MANY.

M. Moffet, Secretary of the Somerset and Dayton Club of Patton township, and Dr. J. O. M'Clelland, and taking into consideration the throng-time among farmers and the limited circulation of the notice it was a very respectable meeting.

N. B. There will be another meeting at the same place on the 30th of August, when it is expected the speakers from town will be present.

IN KANSAS.—William Bottles, a resident of the First Ward, Allegheny, whose mysterious absence from his home gave rise to many fears for his safety, has been heard from. He is in Kansas. His reason for keeping quiet was an anticipated objection to his emigration by his wife.

RESOLUTION.—We are glad to learn that the rumor which we published, that Mr. Andrew Fagan, of Duquesne Borough, had been bitten by a rattlesnake, is unfounded. He corrects the report in person.

LARCENY.—Warrants were issued yesterday by Alderman M'Kenna, for the arrest of two women named Snare and Emmett for the alleged larceny of several articles of clothing from a woman named O'Rourke.

ARRESTED.—The notorious John Nelson was arrested and lodged in jail yesterday for disorderly conduct. Several other commitments were lodged against him, and by the time Court opens, there will be at least a dozen.

CHARGED SWEARING.—Justice Stevenson yesterday committed Wm. Ebery to jail for profane swearing, upon the oath of John Eckels and Wm. Brown.

SCARCE.—Local news is scarce, if we except the small fights and suits which are the largest portion of our magistrates' business. Nothing of interest transpired yesterday.

APPOINTMENT.—Prof. M'Keown, late Principal of the High School, has been appointed pastor of the East Liberty M. E. Church.

Fancy brands are entirely wanted by various parties, and have given to patient and practitioner the highest degree of satisfaction, and produced the most astonishing cures in cases of consumption, Liver Complaint, Dyspepsia, Jaundice, and Nervous Affections, and for which no certain or successful remedy has been known in the world before. In all the most virulent forms, and after ten years of trial it has proved itself worthy of the confidence and the approbation of the afflicted. It is the only remedy known to the world that will cure the most distressing case of Scrofula in the shortest time possible. Its power to change the whole system from disease to health is wonderful. It is the only remedy known to man that will cure Consumption in its last stages. It is the only remedy known to man that will cure Scrofula in all its forms. In short, it is the only remedy known to man that will cure all diseases arising from an impure state of the blood from whatever cause originating.

HOW IT CAME TO BE KNOWN.

When I first commenced practice in New York some 20 years ago, my attention was almost immediately called to the alarming prevalence of Scrofulous complaints, and for which no certain or successful remedy was known, and for which no certain or successful remedy was known, and for which no certain or successful remedy was known
