Democratic County Convention.

The Convention of the Democracy to nominate a County Ticket was held yesterday at the Court House.

Col. Black called the Convention to order, and gave his "experience" of the sentiment of Pennsylvania in the present campaign. By his account, every Fremont man has become a Buchananite; every county, that before gave an anti-democratic majority, will give a tremendous majority on the other side, and the majorities in old locofoco counties be increased to fabulous amounts. The delegates, much pleased with this flight of fancy, thereupon proceeded to the business of the day, by nominating James B. Moore, of the 6th ward, temporary Secretary.

The delegates then enrolled themselves, the elections in the Third Ward, Pittsburgh, Plum, Moon and Lower St. Clair Townships being contested. There was a split in the 3d ward, on account of alleged *colonizing* upon the part of the friends of Mr. Stewart, candidate for District Attorney, they having brought Irish Catholic voters from Allegheny to "scratch" for Felix Laverty and John Burke, Mr. B.'s delegates. His competitor, Mr. Bailey, and his friends called an indignation meeting, and in pursuance of the action had thereat, elected at the Court House on Monday, Will Black and James Gildea, to represent the ward.

After the enrollment of the delegates, the following organization was agreed upon, and the officers took their places:

President—Col. DAVID CAMPBELL.

Vice Presidents—Thomas Farley, D. R. Williams, Thomas Gibson, and Solomon Hays.

Secretaries—W. H. M'Gee, J. H. Clark, Arthur McGill and J. B. Moore.

A Committee of five was appointed to draft resolutions and the same number a committee on credentials.

As there was a resolution of the county Committee suggesting that the election of candidates be by *viva voce*, nominations for the offices were made with a view to having them printed for the use of the delegates by the afternoon session, and the Convention therefrom took a recess for one hour.

AFTERNOON SESSION.

While waiting the arrival of the Committee on credentials Judge Wilkins was invited to address the Convention. He had seen the country rise from the wilderness to its present prosperous condition, and to the Democratic party this was owing. That was his speech. The question was—Do they wish to put an end to that. Democracy which has caused this prosperity?—Will they rise up the constitution and destroy the Union. He never thought so when parties were all mixed up, but now they had a geographical distinction between the North and South. There is the danger of a severance.—He looked upon the election of Mr. Buchanan as indicative of the safety of the Union and the perpetuity of the Constitution.

Mr. Fremont was no doubt possessed of all possible merit, but he had not the experience that Mr. Buchanan had. The justice had been done to Pennsylvania to nominate a son for the Presidency. Would they refuse the boon. He proceeded to praise the various qualities of the locofoco nominee, and entreated them to transact their business harmoniously, go home and organize clubs, as their adversaries did. He was with them with his heart, hands, legs and good will.

Col. Black was called for as the son of his esteemed father, Dr. Black, to succeed Judge Wilkins, and the call was endorsed by the Convention. The gentleman announced that if Fremont were elected, the Union was dissolved, the bond of brotherhood, &c., &c., formed by our heroic fathers, &c., &c., in the glorious days of the revolution, &c., &c., would be severed, &c.; and the only way to prevent this bond of brotherhood, &c. &c., formed by our fathers aforesaid from being severed, and all that sort of thing, was to elect Buchanan, Pennsylvania's famed son, the sage, &c., &c. The Convention seemed to believe these assertions, judging from their vehement applause, though the majority of the delegates appeared to be intelligent men. The ideas in the above formed the burden of the speech; those who are familiar with the gentleman's style of oratory will have no difficulty in appreciating the effect of his remarks.

The Committee on Credentials reported through Mr. McCleary, that a majority of the Committee recommend the admission of Felix Laverty and John Burke elected in the 3d Ward, on Saturday night.—They were admitted as delegates.

The Chairman was instructed to appoint a Committee of Correspondence for the ensuing year.

A resolution endorsing Col. Black for Governor, was presented and a motion to lay on the table was made and seconded. The resolution was withdrawn by the mover.

After some struggling, the sentiment of the Convention was announced to be in favor of *marching* for candidates. The Convention then proceeded to mark, the townships being called first, with the following result:

Senate—Hopewell Hepburn.

Assembly.—Sam'l. Smith, Allegheny; Augustus Hartje, Reserve; L. B. Patterson, Mifflin tp. Thos. S. Hart, Indiana; Samuel Jones, Fourth, Ward, Pittsburgh.

Some resolutions were read and adopted. The convention adjourned at 7 o'clock.

BOARD OF THE AGRICULTURAL SOCIETY.—According to the announcement the Board of Managers of the Agricultural Society met yesterday morning at the Court House.

Mr. Ramsley, the late Secretary of the Board having resigned his position, the Board elected S. Schuyer, jr., Secretary, for his unexpired term.

The minutes of the meeting of June 4th were read and approved.

The Committee of Judges on the trial of Mowers held on the farm of James Kelly, near Wilkinsburg, on the 25th of June, and of the trial of Reapers on the same farm on the 10th of July, reported. On motion the reports were accepted and the Committee discharged.

A letter from Mr. Ramsley was read.

On motion of Mr. Reed his resignation contained therein was accepted.

On motion the letter was ordered to be filed.

The Committee to conclude an arrangement with the State Society, reported, through Mr. Shiras, that the State Society contracted to give the Society $2000 for the use of the grounds, and whatever improvements might be made upon the ground. The report was accepted.

On motion of Mr. Murdock a Committee of three was appointed to suggest amendments to the Prize List of the State Society, and set forth the grievances of the County Society, to be forwarded by Mr. Martin to the President of the State Society.

On motion two were added. The following is the Committee: C. Snively, C. L. Goehring, A. Speer, J. Reed, and O. P. Shiras.

Mr. Kelly presented a bill from J. B. McFadden & Co., for one silver goblet, $20, the premiums awarded to the successful competitor for Mower and Reaper combined. Warrants ordered to be issued. Also, bills for luncheon at the trial of Mowers and Reapers, *two days*, amounting to $46,81. Warrants ordered to be drawn.

The State Society having given the appointment of heads of departments to the County Society, the chairman was instructed to make the appointments, and furnish the same to the Printing Committee for publication with the other Committees.

Mr. Shiras moved that in case of the absence of Judges, the heads of departments assist in filling the vacancies if satisfactory to the President of the State Society. Adopted.

On motion adjourned.

ENTHUSIASTIC FREMONT MEETINGS.—A very large Fremont meeting to organize a club was held at Pine Run on Tuesday, at which Messrs. Howard, Collier, Stevenson, and Dr. Penney were the speakers.

J. M. Kirkpatrick, Esq., addressed a large and enthusiastic club meeting at Sewickley on Tuesday evening. The Glee club there is said to be unsurpassed, having for a writing and singing member, Mr. Nevin, the author of that most popular and excellent political song "Three Jorial Locos eat one day." It is familiar to every reader.

COMMITTEE ON PLATE AND MEDALS.—Wm. Martin, senior, Chairman of the Committee on arrangements of the State Society, has appointed the following gentlemen a Committee to procure the plate and medals which are to be distributed as prizes at the State Fair. Messrs. N. Holmes, R. C. Walker, F. L. Eaton, Mr. Glosser and Benjamin Kelly.

Grand Turner Festival.

SECOND DAY.

At an early hour yesterday morning, City Hall was partially filled with Turners and citizens to enjoy the rare treat of excellent music to be discoursed by Young's full Brass Band. They performed some of the most stirring airs.

About ten o'clock Mr. C. F. Bauer, editor of the *Freiheit's Freund*, and Speaker of the Pittsburgh Society, welcomed the guests of the Society in what is said to have been a very able speech.

At its conclusion, Miss Bierman, on behalf of the German ladies of Pittsburgh, presented to the Pittsburgh Society, a beautiful stand of colors. The flag is of pure silk; the stars of the Union being collected into one star in the centre of the blue. The staff is surmounted with a beautifully carved eagle. Mr. Bauer replied appropriately.

In the afternoon the Societies proceeded to Gerst's Spring Garden, above Allegheny, and spent the remainder of the day there.

The Concert in the evening was a magnificent affair—the hall was well filled, and the music excellent.

ABDUCTION.—A man named Sylvis was arrested by the Mayor's police on Tuesday evening at the Mansion House, for the abduction of a young woman named Patterson, daughter of Thomas Patterson, tavern-keeper, Diamond. The young woman was with him, and they had been staying there since Saturday as man and wife. The arrest was made at the instance of the father.—Sylvis asserts they are married, but the young woman fails to confirm the assertion. The prisoner was committed to answer the charge of abduction.

LADIES wishing to buy cheap fashionable dry goods, should bear in mind that a large and splendid assortment, is now being received at A. M'Tighe's, corner of Grant and Fifth streets.—All kinds of housekeeping goods, dress goods, black silks, cloaks, &c., &c. M'Tighe will this morning, open 2,000 yards new style De Laines, and good quality, at 18¾ cts.

PASTOR ELECTED.—The members of the 7th street Associate Church, on Tuesday night elected the Rev. Mr. REED, of Huntingdon county, pastor of that congregation, to fill the vacancy occasioned by the death of the lamented Mr. Hans Lee. Mr. Reed has been filling the pulpit of this church for some weeks. His election was unanimous.

THE Sewickly Fremont Club had a rousing meeting on Tuesday evening. Mr. Kirkpatrick addressed the meeting in a very happy and convincing manner. The Glee Club sung several songs to the great delight of the audience. Quite a number of ladies were present, who appeared to be as deeply interested in the noble cause of Freedom as the men.

RESIGNED.—Mr. Meskimen, who has filled very acceptably the post of ticket agent in this city for the Central road, ever since its operations in this city began, has resigned, having concluded private business arrangements which will require his whole time and attention.

THE WESTERN AGRICULTURIST has been revived by Mr. Shryock, Gazette buildings, and is now permanently established. He will be assisted in his editorial labors by a number of gentlemen conversant with agricultural and horticultural matters.

A SERENADE.—We are indebted to the Fremont Central Glee Club, of which our friend, Edward J. Allen, is an acceptable member, for a serenade on Tuesday night. The music was very good indeed.

REAL ESTATE SALE.—Do not forget to attend the sale of country seats situated back of East Birmingham. Omnibusses will leave the Monongahela House at 9 o'clock this morning to take persons to the ground.

EXCURSION TRAINS.—To-day and to-morrow, excursion trains will be run from the Canal Bridge to Denny's Grove for the accommodation of the German Turners', between the hours of 10 A. M., and 6 P. M.

HON. GEORGE DARSIE.—We observe a fine small size oil portrait of this esteemed gentleman in the window of Messrs. Wm. Fadden & Co.'s Jewelry establishment, Market st.

[From the Boston Saturday evening Gazette.]

A Perfumed Breath.—What lady or gentleman would remain under the influence of a disagreeable breath when by using the "*Balm of a Thousand Flowers*" as a cosmetique would, as it renders it sweet; but when the teeth white as alabaster? Many persons do not know their breath is bad, because it is so familiar to them. Their friends will never mention it. Put a single drop of the "Balm" on your tooth-brush and wash the teeth night and morning; a fifty cent bottle will last a year.

A FRAGRANT CONVERSION may easily be acquired by using the "*Balm of a Thousand Flowers*" in the bath, lotion, pomade, and *fragrance* from the skin, leaving it a soft and delicate hue. Wet a towel, pour on two or three drops, and wash the face night and morning.

SHAVING MADE EASY.—Use shaving-brush in either warm or cold water, pour on two or three drops of "Balm of a Thousand Flowers," rub the beard well and it will make a beautiful soft lather much facilitating the operation of shaving. Price only fifty Cents.

EXPORTS—Foreign—There is a moderate business doing in sterling bills for transmission by the steamer from Boston tomorrow. One drawer has advanced his rate to 110, but there are no sales at more than 109¾, and the main bankers rest 109¾. The Times says:

The statement this week is a very satisfactory one.—The rise in average (sustained) sales on cotton of $1,167,000 at Europe and the high Treasury, and early sustained demand, by the interior of dollar bags, when combines to work in favor of New York. The movement to maintain of the line of Gleomarts is encouraged by any gens eral appearance of stringency. There will probably be no further accumulation for the present in the Sub-Treasury; on the contrary, a gradual reduction in the balance.

RIVER.—On yesterday evening there were four inches in the channel and falling.

The Principal's intention in taking a limited number, is to be able to give a mother's superintendence to those committed to her charge, and fit them for the proper discharge and responsibilities of Woman's sphere. Nothing in every department of useful and elegant learning, is omitted that can be taught, and cannot be learned without the best education would be in vain.

The Directress considers the services of long experience have been secured for the coming year.

The Institute is supplied with Professors in French, Italian, Spanish and German will be spoken in the Institute.

Lectures will commence on Monday, the 1st of September, 1856. Applications must be made a few weeks in advance.

ADMISSION, &c.

It is desirable, when possible, that application for admission should be made before the commencement of the Term, and that information be furnished in regard to the age, standing and health of the pupil, the branches of study, and the length of time she will probably remain. Those who do not complete the full time of course, will pass in such studies as they are selected and are judged by the Principal to be fitted for. Pupils will be admitted for a less period than one *Session*, unless by previous arrangement.

General experience has proved, that absence from school, in Term time, is very injurious, not only to those who are absent, but to others, who may, and very properly do, feel the interests of all concerned. It is, therefore, especially requested that parents, guardians, &c., will keep their children at the Institute, at the times specified *Lent Days excepted*.

Persons not pupils of the Institute, who desire to attend worship with the pupils will designate the church they wish them to attend on Sunday. One of the teachers will accompany them, and the clergyman will be requested to visit them at the Institute.

Those who desire boarding in the family is expected to furnish herself with towels and table napkins for her own use. She is required to have at least a suitable of clothing distinctly marked with her entire name.

It is desirable that pupils, on leaving home, should be supplied with a sufficient wearing apparel; they will need it for the Session; but in cases where this is impossible, such articles can be procured, if necessary, on application, and funds are deposited for this purpose with the Principal.

Mlle. Feuilly will have the pleasure of receiving visits, as Visitors, and advise with the Principal in regard to the general interests of the institution. au21-wlstepl
