ing nature have been imposed as a condition of exercising the right of an accessories and holding of the regist of an accessories and endities of every kind, and in every relation. And tence, when which determs is combined with politices of every kind, and in every relation. And tence, when which determs is combined with politices of a speed with and unfaithful in his position. But when he can not and ought not, to be ellent in form the speaks out against this political with determs, to be ellent in form this position. But when he for and unfaithful in his position. But when he for and unfaithful in his position. But when he for and unfaithful in his position. But when he for and unfaithful in his position. But when here, the political with the second ender when direct the second of the press has been who are the advorted to go unpunished; "The freedom of aposeh and of the press has been done with the form of an ender speed, and the offenders have been done with the form of an ender of the group of the second of a defect: "Murders, tobberies, and arours have been and offenders have been done with the form the inform hard second to go unpunished; "That all these things have been done with the form of an ender of the group of the second a decrease, why he should be ellerate to example. I have a noticely advised and houses the ministry would be entirely debarred from here and cooling punishment hereafter. *Recolord*, That Kansas should be immediatoly are entified, and of conding; the civil strife now the ana state of the sights and privileges to which there a political party arges the nation to pressing the conding punishment hereafter. *Recolord*, That Kansas should be immediately are an entified and of ending; the civil strife now the area of here adding with politics, and the is the interference in politics which must be maintained, if the ministry be form here and and the tertify." The here and and privileys to here and and the tertify the here and politics and the string be and hore and the string be and h

may cry out "preaching politics," yet all these forms of wickedness they will undoubtedly oppose.
 As long as Batan's cause can be combined with politics, and the ministers of the groupel in the people of have freedom of species, this cry will be stated of as SERE BY A BUTALONIAX. —A cor terpondent of the Bepublic, who visited our city is for days ince surprised in my life than in observing the properity of Chicago—the rapid increase of population, the advance in wealth, and the immene number of magnificant stores, and freidences in process of isomatriality may not be emploided. The properity of his Kingdom then, would be averiable and his own servais. The properity of his Kingdom then, would be the stores at the increase of population, the advance in wealth and the immene number of magnificant stores, and residences in process of properity of the cause of God, and Parknow.
 Ar a Fremont meeting in Graham, Monrect county, N. Y., lait week, one of the Boohester Filimore committee of reception related the form the store at consist of formable dimensions, whe ad anter, on the opper Hudson, introduced the wilk, in a manner, down statres, and a store arout to rease for stangenes. The properition of the unual summons, after being aroused by the "strill clarion" nonce sumt is a fortune to the solution of the sumal summons, after being aroused by the "strill clarion" nonce sumt is a fortune to the solute arout to see what had crease the legance of a year or two."

Epecial Dirpatch to the M. Y Tritune. Lawaraca, Kaness Territory, Saturday, Aug. 23, 1856. } On the 22d the Quaker Mission, on the road from Westport to Lawrence, was attached by an armed band of Georgians, who plundered the places, taking all the horses they could find, and committing all manner of, manthe notraces neon precept thang are the noise intro Coste may and committing all manks of wanto outrages apon persons and property. Thepeaceful inhabitants were shamefuly insulted, and their lives put in joopardy; and threats of an unparalleled gross-ness were made to solise the helpless Quaker women and carry them off to the Haffian camp with a solise that about the threat threat the

women and carry them off to the Haffan camp with an object too shooking to contemplate.— The incidensive people were compelled to fies for their lives, their property all stolen or destroyed By Gov. Shannon's agency, an interchange of prisoners was effocted a few days sloce, and the gun--a trelve pound brass howitzer-captured from the Free Soil men of Lawrence in May last when the hotel and printing office were burned, was given up by the Forder Bufinns. This was brought about through the medication of the United States Dragoonz, co operating with Gov. Shannon, and for a while it was even supposed that peace had been concluded. It is said that For Sale. THE Fint Glass works known as the or the band of the Allephany first the band the band of the Allephany first the band wird, they the the band the first the same of the band and an attentive surfame intantive to surparise desi-rous of assains in this incasive branch of manufac-ture. For particular incasive of the surface of the surface of assaints of the surface Sumes stars prepone, so operating with Gov. Shannon, and for a while it was even supposed that peace had been concluded. It is said that the Border Ruffians have raised some 2,000 men in Missouri to send into the Territory. The friends of Free Soil have 800 men siresdy, and re enforcements have been sent for, and are ex-pected without delay. Should the Missourians attempt to come here, to burn Liwwenck, and perhaps repeat the vile outrages perpetrated by the Georgians on the peaceable and industrious Quakters, they will meet with a desperate and deadly reception.
