free white emigration, and all that great Ter-tory had been dedicated to negroes; suppose the white laborers had been shut away, and the mil-Waits inforces and been share usy, and the inter-lions of people who now swarm over the West were all turned back upon these, what would be the fate of the laborer? This is not a matter to This speech was enthusing quence and power, and was received with ap-plause and power, and was received with ap-plause and a scong]. Oa motion, the following named gendemen

The state of the second state of

believing that a woll as the Con-intees liberty of glits among diti-impairing their ESUP. s. in fact and in truth, a question between

is, in fact and in truth, a question between white men and negroes, and nothing less. But there are other respects in which this question is to be looked at. We look forward to a Pacific Railroal, as one of the great and cherished ob-jects (the remainder of this sentence was lost in a spontaneous burst of applause.] There are few men whose hairs are so gray that they do be thome to live to see the time when the iron

not hope to live to see the time when the iro horse shall be heard thundering over the plain horse shall be next inducating over ine plains of the great West, parsing beyond the Backy Mountains, and bringing hack the riches of China and the Indies, filing the Northern Sistes with wealth, enterprise and commerce. Now tell me, if you will, if we make Siave Siates of ten Tarriviants the Pachifa have soon washall

ten me, in you with it was a base of the order of the order of the solution of

prise of the North, the schools and manufacto-ries and churches of freemen will arise on all those hills and values... and of all of will roll over the Booky Mountaina, and in fifteen years the Paulies Bait deliase that soil to the negroes, and I tell you your responds is true-li never will be built. But there are considerations enough, in a political point of view, why these Territories should be secured. Suppose they fail into the hands of the Bouth, and become States. Each State will send two Senators, the Bouth will have they proponderance of power and when do you suppose we will get it back I [Never, pereri not while we have a doughface.] I You say truly... It will be never. Nothing will get it back except bloodhed and revolution... If they over present into their bands how will they they use it? Will they be more scrupu-lous in uning than in acquiring it? If they ac-quired it by robberry, and fraud, and murder, will they use it more magnanimously!... No, no.] And their fare measure will be ore power the Glave trude, filling the country with begroes
