Arrival of the Canadian.

LATEST FROM EUROPE.

QUEBEC, Sept. 9.

The steamship Canadian arrived here to-day, disabled, from Liverpool, with dates to the 27th. The cunard steamer Arabia, from Boston, arrived at Liverpool on Monday.

LIVERPOOL MARKETS.—The steamer's advices had no effect on the market, and with a moderate business, prices were wholly unchanged. The sales of cotton for three days are 20,000 bales, of which 2500 were on speculation and 4,000 by exporters.

Advices from Manchester report a moderate business in goods and yarns at unchanged prices.

BREADSTUFFS.—The weather has continued unsettled, and the prices of Breadstuffs are a shade higher; the improvement both in Wheat and Flour being chiefly in better grades. Flour is in active demand; straight Baltimore and Philadelphia 30@33s; good Ohio 33s@34s 6d; red wheat 9s@9s 6d; white 9s 6d@11s; white corn 34s@35s; yellow and mixed 33s 6d@34s.

PROVISIONS.—Beef unchanged with a limited business. Pork in moderate demand at previous rates. Bacon unchanged. Lard; limited sales and firm.

The money market is unchanged. Consols for money are quoted at 95¼@95¾.

The news is unimportant.

The city of Baltimore and the Fulton both sailed on the 27th.

A grand dinner to the Guards was given at Surrey Gardens on the 25th; 2,000 persons were present.

Sir William Temple, Minister to Naples, Lord Palmerston's only brother, is dead.

A large Chartist meeting has been held at Todmorton to welcome the return of John Frost.

FRANCE.—Affairs in Francoare dull. The Emperor and his family continue at Biarits. Napoleon is said to be suffering from a much diseased liver.

SPAIN.—There is no definite intelligence. The government is chiefly occupied in appointing new officers for all the civil departments, chiefly from the liberal party.

It is announced that a decree will appear in a few days, suppressing the whole National Guard in that province. Madrid is already disarmed.

PORTUGAL.—The bread riots are suppressed. The Cholera at Lisbon is declining. A great many arrests have been made by the troops, of citizens, in consequence of the recent riots.

The arrival of a French squadron at Tagas caused much excitement.

The harvest is over and is more unfavorable than was anticipated. The vines are a complete failure and disease has appeared among the cattle.

ITALY.—It is reported that the King of Naples demands to submit the differences with European powers to an European Congress.

It is rumored that a collision has occurred between the Neapolitan and the Swiss troops.

The crops throughout the Neapolitan kingdom have partially failed.

Austria has ordered the sequestered property of the Lombard exiles to be sold.

PRUSSIA.—The most spiritual attack on a Prussian Corvette off the coast of Morocco, causing an intense excitement at Berlin, but it is probably incorrect that Prussia had invoked the aid of France and England, the feeling being that Prussia should, herself, undertake the chastisement of the pirates. Russia has volunteered two or three ships to aid any expedition that Prussia may fit out.

DENMARK.—Great hopes are entertained that England will speedily accede to the plan of capitalizing the sound dues Buchanan, the English Minister who had been home to confer with the Government upon the subject, had returned and strengthened the hopes. Nearly 3000 vessels passed the sound during the past month, of which 22 were American.

SWEDEN.—The Cholera prevails at Stockholm. Gen. Bodisco, the Russian military envoy was the first victim.

CONSTANTINOPLE, Aug. 16.—The Russian reply gives hopes of the surrender of Belgrade. Hassian Pacha receives Kars from the Russians.

PORTLAND, Me., Sept. 9.—Returns from 150 towns have been received of the election held yesterday. The vote thus far stands for Governor—Hamblin, Republican, 89,000—Wells, Democrat, 22,700—Patteo, Whig 4,000. The entire Republican State ticket is evidently elected. In the first Congressional district John M. Wood, Republican, is elected by a large majority. In the five other districts, the Republican majorities are large, and the candidates for Congress are doubtless elected, giving an entire Republican representation from Maine.
