MEDICINE.

DR. WRIGHT'S PLEASANT FAMILY PHYSIC—An entirely vegetable preparation, pleasant to the taste, unrivalled in its action upon the liver, stomach, and general system. As an Anti-bilious and Alterative Purgative Medicine

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of 10 years in all cases where a good Purgative and Alterative was required, with entire success. Do without it. It is the PHYSICIAN'S ASSISTANT,

As well as the safest family medicine in use. *Children devour it with pleasure. It does not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system in all its various forms.*

THOUSANDS OF LIVING WITNESSES

are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Scrofula in a few days. It is a

NEVER FAILING CURE

for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast and Limbs, Colds, Cramps, Worms, Lumbago, Blotches on the Skin, Pimples, Dutiness, Dizziness, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Fevers of all kinds etc. It cleanses by its superior medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it rectifies THE BLOOD and leaves the system healthy. I ask my friends to test the above Medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know no profession only will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity and its sales have increased beyond the most sanguine hopes of its friends. Ladies have found it a safe and *UNRIVALLED PHYSICIAN* and *CHILDREN will* find it with them.

TAKE NO OTHER

after one trial, and parents should use no other in their families. People living in low and marshy countries, subject to deadly miasmas, where Fevers, Ague and Fever and Bilious complaints are more apt to be, will find the "Liquid Cathartic" the most potent remedy yet tried—*Give it a trial.*

I began to make myself familiar with its all the most virulent forms, and after ten years of almost unremitting labor, I prepared and began to apply what I believed to be a remedy in practice with the *MOST REMARKABLE SUCCESS.* It is now been known in my practice over eight years, and so great has the demand been, without advertising in the newspapers, from reports of its miraculous cures, which have come from mouth to mouth, that I have determined to give the public, throughout the country, the benefit of its wonderful curative properties.
