WORK ! WORK !--- Can we say one word to our triends, one word of exhortation? Pennsylva nians! We believe the casting vote in the com ing contest will be in your hands. The vast im-portance of the contest not only for the present, but in all time to come, should so impress itself upon the mind of every man that he will be im. pelled into a just line of action as in the eye of conscience and in the sight of God. We conjure every man who feels the solamn charge thus committed to his hands to work accordingly; in every honorable way, at home and within his own sphere of infinence let him labor to bring a victory forth for justice and for right on the state into a sphere of infinence let him labor to bring a victory forth for justice and for right on the state of Norember. Let not Pennsylvania be false to Freedom in this hour of its screat trial. We have the utmost confidencis that every nerve will be strung to place the Keystone State right on the question of Republican Freedom and therefore we thus speak to cheer our laborers in the cause, on in their hely work. committed to his hands to work accordingly; in every honorable way, at home and within his
