To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the
CHILDBIRTH PAIN ALLEVIATOR.
The proprietors of this article, well aware of the great importance that exists against anything new in the vocation of medicine and especially in the class of cases for which this is intended, have, after a thorough examination of medical men, for long time that it will only receive a fair and impartial trial.
Great care is taken in its manufacture to procure only the purest drugs, and only such as have been tested and proved to be safe and certain in their operation.
There is no ingredient in it that would injure in any manner, and the whole combined cannot possibly be injurious. Circulars containing full information and testimonials can be had at the wholesale depot, 130 Second street. This is the only article of the kind that is warranted. Its effects are truly wonderful. When used rightly and in due season it entirely puts to flight the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength of the patient in a remarkable degree. In this action, although chiefly local, it is soothing and strengthening to the whole system, and most invaluable in its effect throughout the whole period of confinement.
Here are a few testimonials:

HUDSON, MASS., Feb. 10th, 1855.
Dr. STRONG—I have used your "Childbirth Pain Alleviator" in a number of times in my confinement. And it is the most excellent article, and one that I can recommend with every confidence to the public for either a safe or truly sure article.
THOS. GUNTHER, M. D., Washington st.

CARLISLE, N. J., Nov. 17th, 1855.
Dr. STRONG—I have on several occasions used your "Childbirth Pain Alleviator," and find it to act with a rare ever seen for the purpose. It lessens the pain and causes the birth to be effected easily and quickly. I cheerfully recommend it.
FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 6th, 1854.
Dr. STRONG—After having been confined several times with great danger and much pain, I was induced to try your remedy, by my brother, who had heard of its wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend its use to all expectant mothers.
Truly yours, LOUIS BAUMER.

For sale by all respectable druggists, and wholesale only at 858 Broadway, 21 floor, New York. Price $5 per package, with full and simple directions for use.

Grand Rally of the Locofocos at a Fillmore and Donaldson meeting in Birmingham!—Jasper E. Brady makes a Buchanan speech to them.

Messrs. Editors:—The evening of Wednesday last (Oct. 29th) being mild and pleasant, your correspondent, about 8 o'clock, took a stroll through the streets of Birmingham, where he resides. Passing the "Democratic Head Quarters" on Dedman street, where they go for "measures not men," and where the "faithfully nightly assemble to concoct their "treasons, stratagems and spoils," I was surprised to find the store and pavement entirely deserted! So remarkable an occurrence naturally suggested the query—What's up? They must certainly have retired behind closed doors and shutters, and are concocting some "gunpowder plot" to blow us to Republicans up on next Tuesday! Filled with these forebodings, I pursued my way, and passing Beiford Hall, lights shone from the windows, and a voice, deep and solemn as a funeral dirge resounded through the passage way. Ascending the stairs and looking in the door, the well-known faces of our "democratic leaders" struck my vision. A democratic meeting! My "gunpowder plot" was exploded, and I again breathed easy. There sat our good Loco Pocomaster, the "Blucher" of the German allies in the Democratic army. Near him were also the Tinner, the Painter and the Blight of the razor, who managed the caucus, also, from the Catholic church, on the hill, it proclaimed the brilliant victory achieved over the United Fremont and Fillmore party at the State election. And next sat about half a dozen good democratic worshipers in the Methodist church. But who is that tall, lank, lath-looking form? The gestures appeared to be those of Jasper E. Brady, the man who "was in Congress"—a glance at his head satisfied me that it was really him—the Achilles of the Fillmore and Donaldson party of Allegheny county. But certainly this is not a Fillmore meeting! I will look around again! On one of the front seats sat the carpiders against T. H. Collier, and the two men, who, on the night before the election, posted German handbills, calling upon the Germans not to vote for Collier the bloody Know Nothing! And near to these sat that indefatigable Democrat who wrote to James Biddle, to know whether Mr. Collier actually did call the Germans hard names—as they in Birmingham had proven before them of it.

After carefully looking around the room, I counted about fifty persons present, viz: two Fremonters, forty democrats and eight Fillmore men. There might possibly have been a few more Fillmore men, but the democrats having the front seats, I could not see them; I was positive however, there could be no more than that.

Not being fully satisfied yet of the true character of a meeting composed of nearly all leading democrats—but with a Fillmore speaker—the thought struck me that possibly the speaker had turned Locofoco. I concluded to hear his speech to solve the problem.

When I arrived, Mr. Brady was pronouncing Gov. Johnston, and the speech was heartily cheered by the democrats present, but the others knowing Governor Johnston, knew that Mr. Brady's charges were totally false, and as they were anxious I will not repeat them. Brady then gave his reasons for not being a Know Nothing man; the main one being that Fremont is or was a Catholic, "for if he is not a Catholic, why don't he deny it." (Cheers by the democ
