To Druggists and Physicians.

YOUR attention is invited to a new Medical preparation called the
CHILDBIRTH PAIN ALLEVIATOR.
The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is intended, invites the examination of medical men, feeling sure that it will only result in a perfect confidence in it. Great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be poisonous. Directions explaining full information and testimonials can be had at the wholesale depot, 166 Second street. This is the only article of the kind in existence, of its effects truly wonderful. When used rightly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength of the patient in a marvelous degree. In its action, although chiefly local, it is soothing and strengthening to the whole system, and most pleasing in its effect throughout the whole period of confinement.
Here are a few testimonials:

BOSTON, Mass., Feb. 10th, 1855.
Dr. Brunon—I have used your "Childbirth Pain Alleviator" a number of times in my practice. I find it to be a most excellent article, and one that I can recommend with every confidence to the public. Its effects are truly wonderful. THEO. GENTNER, M. D., Washington st.

ORISON, N. J., Nov. 12th, 1855.
Dr. Brunon—I have on several occasions used your "Childbirth Pain Alleviator," and find it the best article I have ever seen for the purpose. It lessens the pain and causes the birth to be effected easily and quickly. Cheerfully recommend it. FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 24th, 1854.
Dr. Brunon—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had heard of its wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.
Truly yours, LOUISE BAETZER.

For sale by all respectable druggists, and wholesale only at 356 Bowery, 2d floor, New York. Price $5 per package, with full and simple directions for use.

BELTING.
Patent Riveted and Stretched
LEATHER BELTING,
From the Manufactory of Hoit & Brothers,
NEW YORK.
TO the Belting of this manufacture has been awarded the Gold Medal and Diploma from almost every Fair and Institute throughout the United States in which they have been exhibited. The Latest, New York, at their last meeting in the Fall of 1855. It is of superior quality, every branch of the business being carried under the personal care of the principals; their hides are selected by themselves at their own receiving house, insuring freedom from cuts and scores. The tanning, currying, &c., the belting and shoulders have been fitted and returned to New York, thoroughly tanned, fresh from the vats, curried immediately, wet and dry stretched on machines with every modern improvement, cemented and rivited with their patent copper rivets, and the whole made a perfectly even surface on both sides of the band, causing them to run truly on the pulley, and giving a power of more than 20 per cent. over those made in the ordinary manner. To mechanics of all kinds, to cotton and other manufactories, rolling mills, paper makers, sawing and planing mills, Engine owners of every grade, cotton gins, bleach works, dye houses, in short to every one, the Belting is especially recommended, the best of city references given to the quality of this Belting. For sale by M. DE LANGE, No. 235 Liberty st., opposite the head of Wood.

NEW YORK.

The Latest, New York, at their last meeting in the Fall of 1855. It is of superior quality, every branch of the business being carried under the personal care of the principals; their hides are selected by themselves at their own receiving house, insuring freedom from cuts and scores. The tanning, currying, &c., the belting and shoulders have been fitted and returned to New York, thoroughly tanned, fresh from the vats, curried immediately, wet and dry stretched on machines with every modern improvement, cemented and rivited with their patent copper rivets, and the whole made a perfectly even surface on both sides of the band, causing them to run truly on the pulley, and giving a power of more than 20 per cent. over those made in the ordinary manner. To mechanics of all kinds, to cotton and other manufactories, rolling mills, paper makers, sawing and planing mills, Engine owners of every grade, cotton gins, bleach works, dye houses, in short to every one, the Belting is especially recommended, the best of city references given to the quality of this Belting.
