To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the
CHILDBIRTH PAIN ALLEVIATOR.
The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is intended, before the examination of medical men, feeling sure that it will only result in a perfect confidence in it, does not see it taken into the manufactory to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combination cannot possibly be injurious. Circulars containing full information and testimonials can be had at the wholesale depot, 52 Fourth street, 2d floor. This is the only article of the kind in existence, the effects truly wonderful. When used rightly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental energies and vitality of the patient in a marvelous degree. Its action, although chiefly local, it is soothing and strengthening to the whole system, and its pleasing in its effect throughout the whole period of confinement.

Here are a few testimonials:

DR. BYRNE—I have used your "Childbirth Pain Alleviator" in a number of cases in my practice. I find it to be a most excellent article, and one that I can recommend with perfect confidence to the public. Its effects are truly wonderful. TIMO. BYRNE, M. D.

GEORGE, N. J., Nov. 17th, 1855.

DR. BRODHEAD—I have on several occasions used your "Childbirth Pain Alleviator," and find it the best article I have ever seen for the purpose. It relieves the pain and causes the child to be delivered easily and quickly. I cheerfully recommend it. FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 29th, 1855.

DR. BRODHEAD—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had used it in his practice. I did so, and experienced a most beneficial result. For have my last (twins,) and I would cheerfully recommend your preparation to every sufferer.

Truly yours, LOUISA BEECHER.

For sale by all respectable druggists, and wholesale only by the Depot, 52 Fourth street, 2d floor. Price $1 per package, with full and simple directions for use.

BELTING
Patent Riveted and Stretched
LEATHER BELTING,
From the Manufactory of Holt & Brothers,
NEW YORK.

TO the Belting of this manufacture has been awarded the Gold Medals and Diplomas from almost every Fair and Institute throughout the United States; the most recent by the American Institute, New York, at their last meeting in October and November of 1855. It is of superior quality, every branch of the business being conducted under the supervision of the principals, their belts are selected by themselves at their own receiving house, inspected, stretched, cuts and scores, tanned at their own tannery, after the bellies and shoulders have been trimmed off, are rolled in New York thoroughly hammered, then taken to the curried immediately, wet and dry fresh from the tan, curried immediately, wet and dry stretched on machines with every pound of pressure and cemented and riveted with their patent copper rivets, and burrs which make a perfectly even surface on both sides of the belt, causing them to run truly on the pulleys, and giving a power of more than 20 per cent. over those made in the usual manner. To mechanics of all kinds, machinists and woolen manufacturers, rolling mills, paper makers, sawing and log mill establishments, owners of steamboats, &c., this belting is especially recommended, as they get of dry material, and give in the quality of this belting. For sale by M. DE LANOE, 97 Liberty st., opposite the Head of Wood. mch15-dlyr
