To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the

CHILDBIRTH PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is intended, invites the most rigid examination of medical men, feeling sure that it will only remain in use where its merits commend it. Great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be injurious. Circulars containing full information and testimonials can be had at the wholesale depot, 350 Broadway, second floor. This is the only article of the kind in existence. Its effects are truly wonderful. When used strictly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength so the client is in a marvelous degree, if not entirely, free from nervousness. It is soothing and refreshing to the whole system, and most pleasing in its effect throughout the whole period of confinement.

Here are a few testimonials:

BOSTON, Mass., Feb. 10th, 1855.

Dr. Brunon—I have used your "Childbirth Pain Alleviator" a number of times in my midwifery practice, and find it the most excellent article, and one that I can recommend with every confidence to the public. Its effects are truly wonderful. THEO. GUNTHER, M. D., Washington st.

ORANGE, N. J., Nov. 17th, 1855.

Dr. Brunon—I have on several occasions used your "Childbirth Pain Alleviator," and find it the best article I have ever seen for the purpose. It lessens the pain and causes the birth to be effected easily and quickly. I cheerfully recommend it. FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 24th, 1854.

Dr. Brunon—After having been confined several times with great danger and much pain, I was induced to try your remedy for my brother, which I did, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.

Truly yours. LOUISE BRAUNER.

For sale by all respectable druggists, and wholesale only at 265 Bowery, 2d floor, New York. Price $5 per package, with full and simple directions for use.

BELTING

Patent Riveted and Stretched

LEATHER BELTING,

From the Manufactory of Hoit & Brothers, *NEW YORK.*

THE Belting of this manufacture has been awarded the Gold Medal and Diplomas from almost every Fair and Institute throughout the United States the most recent of which is the American Institute, New York, at their last meeting in the Fall of 1855. It is of superior quality, and having the business being conducted under the personal care of the principals their hides are selected by themselves at the fair now receiving season, insuring freedom from cuts and scores, tanned at their own tannery, after which every stretcher and lever has been turned o't returned to New York thoroughly tested, then brought back curried immediately, wet and dry stretched on machines of very superior and improved description and rivited with their patent copper rivets, and leave the factory in a condition to run even on both sides of the band, causing them to run truly on the pulleys, and giving a smooth even face to the leather being considered in the curriery manner. To mechanics of all kinds, to cotton and woolen manufacturers, rolling mills, paper makers, sawing and planing establishments, owners of grist mills, cotton gin, lath works, &c. &c., its object to every consumer, this belting is especially recommended. Also a variety of city references given to the quality of this Belting. DAVIS, LANGDON & CO., No. 245 Water st. New York.
