To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the
CHILDBIRTH PAIN ALLEVIATOR.
The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is intended, invites the examination of medical men, feeling sure that it will only result in a perfect confidence in it. Great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be dangerous. Circulars containing full information and testimonials can be had at the wholesale depot, 320 Bowery, second floor. This is the only article of the kind in existence. Its effect is truly wonderful. When used rightly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength to the patient in a marvelous degree. In its action, although chiefly local, it is soothing and strengthening to the whole system, and most pleasing in its effect throughout the whole period of confinement.
Here are a few testimonials—
Boston, Mass., 5th, 10th, 1855.
Dr. Bronson—Have used your "Childbirth Pain Alleviator" a number of times in my practice. I find it to be a most excellent article, and one that I can recommend with every confidence to the public. Its effects are truly worn derful.
THEO. GUNTHER, M. D., Washington st.

New York, Oct. 5th, 1855.
Dr. Bronson—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had heard of its wonderful effects. I did so and commenced using it. Before it was half gone I knew my best friends, and I would cheerfully recommend your preparation to every sufferer.
Truly yours, LOUIS BRAUNER.

For sale by all respectable druggists, and wholesale only at 320 Bowery, 2d floor, New York. Price $3 per package, with full and simple directions for use.

BELTING
Patent Riveted and Stretched
LEATHER BELTING,
From the Manufactory of Hoit & Brothers,
NEW YORK.
TO the Belting of this manufacture has been awarded the Gold Medal and Diploma at every Fair and Institute throughout the United States; the most recently at the Institute, New York, at their last meeting in the Fall of 1855. It is of superior quality, every piece of belt being tested and guaranteed under the personal care of the principals; the Belts made by themselves as formerly, and now receiving home, Oak Tanned Leather, which is rolled at their own factory, stretched on Belting and shoulders have been trimmed and returned to them to be thoroughly tanned. Each piece is then cut, carried immediately, wet and dry stretched on frames with the most modern improvement, cemented and riveted with their patent copper rivets, and there is hardly a belt manufactured, but what has on both sides of the band, causing them to run truly on the pulleys, and giving a power of more than 20 per cent, over those made in the ordinary manner. To mechanics of all kinds, Millwrights, Engineers, Manufacturers, rolling mills, paper makers, sawing and planing mills, Coopers, Founders, Machinists, gas and steam works, oil houses, in short to every consumer, this Belting is recommended as the best of any reference given to the quality of this Belting.
