npon Cubs, and acquire it, if possible; but that, had held a high social position, and was above the other by Messre. CARDERS, OFTERLOR & Co. suspicion until his sudden disappearance led to on the east, or Hollidaysburg side. The first is natead of doing so with any idea of furthering an examination of his books when 14 defalca- called "Hollidayaburgh Furnace," and the other the patriotic views of such Cubans as Galcouria, his great object was to unite with the secession. tions, said to amount to £150,000, were discov- "Chimney Rock." They have both been con ists of our southern States in forming a great cred. It is the old story of a limited income and structed at a heavy cost, and are of large capa-Southern Confederacy, of which Cuba and Centrail America should form a part. This has been the incongruity. His mode of operation is thus

a fast life without any of his employers noticing city—capable of making from eixty to a hundred the incongruity. His mode of operation is thus

tons of metal per week; the Hollidaysburg Furtral Americs should form a park. This has been the incongruity. His mode of operation as the neglect the day-dream, for years, of many a southern or incanacity of the directors most strikingly:

Last week thay were both placed in operation, to rincapacity of the directors most strikingly:

When Mr. Redpath had to issue n 1001 stock, it appears that he added an "0" to the amount, thus making it 1,0001, in the company's books. This operation was not confined to one hundred, but extended to stock of 2001, 3001, and 5001, politician; and the hope of accomplishing it under Walker's suspices has doubtless been at starting with the most favorable auspices. the bottom of the bolsterous threats of dissolution made at the South during the late campaign.

but extended to slock of 2001., 3001. and 5001, very in Nicaragia was one of the first steps towards establishing this "powerful and compact Southern Federation," which was to "cut the expanding and expansive Democracy of the North." Gen. Walker was evidently playing a conspicuous and important part in the programme of the Southern Disunionists. He was laying the basis for that Southern Slave Empire McLane's Vermifuge.—Kicming: 1870s. ible Frontiers.—No remedy are invented has been resuccessfol as the great worm melicine of Dr. McLane prepared by Fleming Bros., of Pittsburgh. All who have used it have been equally satonished and delighted at its, wonderful energy and efficacy. To publish all the testimonists in its favor would fill volume; we must therefore content cursaives with a brief abstract of a few of heim.

Japhat C. Alleo, of Ambory, gave a dose to a child dyears old, and it brought away 83 worms. Hy soon after gave another dose to the same child, which brought away 60 marse, making 120 worms in about 12 hours. laying the basis for that Southern Slave Empire FRANCE.—Gen. Kissdoff, the Russian ambayof which sundry Southern papers have made frequentiand mysterious mention, and of which several of the Southern States, as well as Cuba, "I shall deem myself fortunate if I can con-

frequentiand mysterious mention, and of which several of the Southern States, as well as Cuba, The quarred between these magnates, with these developments accompanying it, may embarrass the movements of Walker somewhat, and postpons the realization of his hope; but while his purpose is thus made plate, as well as the drift of his coadjutors in the Southern States of this Union, it is evident that no revelation of the kind will drive these Southern States of this Union, it is evident that no revelation of the kind will drive these Southern States of the kind will drive these Southern States of the import of the incoming administration. If they cannot rule the man they have elected frest dent, they can at least make, his recusancy the basis of another Federation,

The New Orleans Delta, the Charleston Mer.

Curry, and others of that faith, have been clamering for the acquisition of Cuba and Central

The Encilab funds have fully recovered from the composition of the sequentiation of Cuba and Central

The Encilab funds have fully recovered from the composition of the sequential o on, and it croums way is werm. It good after gave another Jose to the same child, which brought way for more, making RI worms in about 12 hours.

Andrew Downing, of Chanbury toweship, Venango Coagave his child one teaspoorful, and she passed IT? worms. Next morning, or repetition of the does, she passed III more,

Jenathan Houghman, of West Union, Park county, in a writes that he is unable to supply the demand, saths people in this nighthorhood say, aitre a trail of the other, that more is equal to Dr. McLane's Verminge.

Cal-Curchwarr will be careful to set for Dr. McLank's UELEBILATED VERMINGUE, and take more size. All the county vermings are worthers. If all the county vermings are worthers to the county verming that it is not be considered and county verming the comparison, are worthers. If Research vermings also his ordertracked Layer Pills, can be compared to the county verming the county of the county vermings and can be contracted to the county of the county o

Curry, and others of that faith, have been clamoring for the acquisition of Caba and Central America as the legitimate result of the Ostend Manifesto, the Cincinnati Platform, and the election of Bachanan. The Richmend Enguirer, in the article which we quoted yesterday, tells them that they prescribe to Mr. Buchanan a "policy which, in the nature of things, he cannot undertake," and in the light of Gen. Golcouria's revellations, this language has a marvelous significancy.

The Defract or Richanneck.—The Chiengo Times attempts to plaster over the defeat of Richandeon, the Buchanier candidate for Governor of Illinois, by alleging that the Know Nothings voted against him, notwithstanding the fact that Bissell was alleged to be a Roman Cathollo. Now, that the Times and its co-work.

of which sundry Southern papers have made

And revers from Hamburg state that the rate of discount, which recently receded to 55, has gain risen to 6 per cent.

FARMERS' ARD MECHANICS' INSURANCE CO.—

Yo are furnished this morning by N. H. Catholic. Now, that the Times and its co-workagain risen to 6 per cent. ers in infamy, made battle against Bissell upon the ground that he was a Catholic, there can be no doubt; but it is plain that nobody believed We are fornished this morning by Mr. Huwren, the silly falsehood, and there is reason to rejoice agent of the Farmers' and Mechanics' Insurance that in this one instance, at least, that dirty Co. of Philadelphis, with the annual statement of the Company, which appears in our advertising game has not succeeded. The whole Catholic the Company, which appears in our advertising force of Hilmois was engaged in the effort to columns. It exhibits a large and profitable business of the height of the Company, the Directors having definition.

THOMAS B. FLORENCE, President, force of Illinois was engaged in the effort to defeat Blassell with the story of his being a member of their own church, just as they piled the same argument against Fremon; but in addition to the baseness of the trick, they have to endure the morification of defeat. Of the many things which we have to consolic cursolves with in the hour of our national defeat, this is the most consoling of all.

The New York Heald ventures an attack upon Gov. Ford, of Ohio, which some of our Ohio Gov. Ford, of Ohio, which some of our Ohio Ford, the Chicago, by way of Fort Wayne, Ply-

contemporaries take to be true and treat accord-ingly. The main allegation of the *Herald*, that Gov. Ford was entrusted with large sums of money with which to electioneer in Property road of our own to that city. The rupning arnia is both ridiculous and false. That gentles rangements of the road are complete, and we man gave his labors in this State without re- have no doubt the route will prove a popular ward, worked hard and long to enable us to one with the traveling public. carry the State, and we are assured that he was of essential service to the Republican cause.— Blackwood's Magazine for November have know that his heart was in the work, and been received and is for sale by Gildenfeuny a that he was as free from mercenary taint as any Co. and Miner & Co. It is a number

Wood si, sign of the Goldan Morter. Dr. Keyser's Shoulder Braces-From IF. Keyser's BROULIGE BIRGES—From Pittsbursh Dispatch, April 10th, 1856.—For more than 3 years part we have constantly worn the Washington Suspender Drace, manufacturid by Dr., See, II. Keyser, of No. 10 Wood et, in this city, and would heartly recommend it to all who are compelled to follow a sedentary occupation. As we have before remarked, in calling attention to its marks, it answers for a brace and suspenders, the to its marita, it answers for a brace and suspenders, the weight of the pantaloous being so placed as to continuals by cend to bring the shoulders to their natural position and expand the chest. Women, hundreds or whom are annually injured by the weight of enormous "akirta," should also procure these braces. Se particular is prosuring the kind mentioned, see many of the braces cald are humbug. Sold at Dr. GEO.H. KEYERI'S, Wholesals Druggist, 140 Wood st, sign of the Golden Mortar. Age and Debility—As old age comes

Age and Hebility—As old age comes resping on us, it brings many attendant infimilities.—
Loss of appetite and weakness impair the health, and wanted activity makes the mind discontanted and mehapy. It cases where old age adds its infinence, it is almost impossible to add vigor and health, and although many remedies have been fried, all have falled, unit EGERIAVER HOLLAND ENTERES were known and used. In every case whate they have been employed her have invariably given attracts and restored theap petits. They have become a great agent for this claus, and are used by many people who are unfering from loss of appetite and construction. and are used by many people wan are sintering irom loss of appetite and coneral debtility. In cases of long standing chronic diseases, they set as a charm, invigorating the system, thus giving nature another opportunity to repair physical injuries, Caurion-Caurd against purchasing an imitation.
