CURIOUS CUSTOM.—It is an old-time custom with the Marblehead fisherman, still continued we believe, for each man on board the vessel to throw as she passes Half Way Rock, outward bound, a copper or cent upon the rock for good luck as they say. When or how the custom originated, we are not informed. But some of the knowing ones among the boys used to obtain pocket money somewhat cheaply by watching their chance and visiting the rock after the fleet had sailed to gather up the pennies. A few days ago one of the pilots had occasion to land there and procured several of these luck tokens, of which we have some specimens before us. They all bear marks of corrosion, and from the indentations on the edges produced by contact with the rock as they fell, there can be no doubt that they were thrown with a will. One of them is quite an old settler, bearing the date of 1798, and much worn. When the fishing business of Marblehead was in its glory, Half Way Rock must have been a copper mine of some value.—*Salem (Mass.) Register.*

A French Abbe, calling one day upon a widow, was invited to stay and dine. "My lord," replied the consolous man, with a very demure and scandalized look, "I have already had a good breakfast, a substantial luncheon, and a capital dinner, and I beg leave to remind your lordship of what you seem to have completely forgotten—this is a fast day!"

AN ACCOMMODATING RIVER.—A Western paper, announcing a rise in the Ohio river, says: "Ice rises, in accordance with the desires of a host of those who were most deeply interested, continues rising steadily."

PITTSBURGH CHEMICAL AND VARNISH WORKS
FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the preparation of all descriptions of Varnishes, and with increased facilities are prepared to supply their friends and the public generally with articles of the very best manufacture, made of the best material, and selected with the greatest care and on the most reasonable terms.

FINCH & CO. intend to devote themselves to cultivating a first class trade, and have no desire that any inferior article will ever maliciously be palmed off upon their friends. Their certificates of prizes will be found equally low with any of the eastern manufacturers, and they referred to all who have used their works but of approved and tested quality, they only ask for a trial and a share of public patronage.

To our fine Body COACH VARNISH we would call particular attention. The article is equal to any English Coach Varnish of the very best brands, being made exactly after the process of the first class English houses, by Mr. Thomas Douglass, who for many years was employed in some of the most extensive establishments in England and Scotland.

Our Black Carriage BLACK VARNISH we would particularly recommend to Founders, Boatbuilders, and Carriage Manufacturers of Iron generally. Its peculiar qualities prevent oxydization entirely, which is a great desideratum to those using Varnish for iron, and preferable to asphaltum and other compounds.

All orders left at Messrs. JOHN IRWIN & SONS' Front street, will be punctually attended to; or with JAMES, 127 Third st. jeodda1yr

To Consumers of Pickles.

BELIEVING that the Public have become tired of purchasing Pickles in Packages, holding, in many cases, fifty per cent. less than represented, we have commenced putting up, in addition to our usual assortment of Pickles in Barrels, a variety in packages labelled "WM. UNDERWOOD & CO'S EXTRA PICKLES," and are filling into full sized Jars, which are neatly stamped in the glass, with their exact contents in ounces—thus enabling the consumer to verify their truth.

These Extra Pickles are put up with every regard to strength, quality and flavor, and will be sold at fairly remunerative prices.

We have made no change in our manner of Growing Pickles, never having resorted to any extraneous means to attain the end. The Clear Vinegar which we use is made from sound fruit, and is entirely free from Verdet or any other mineral acid, which is not the case with that used in most brands of English Pickles from this country. MEDICINE.

OR, PLEASANT FAMILY PHYSIC—

An entirely vegetable preparation, pleasant to the taste, unequalled in its action upon the Liver, Stomach, and general system. As an Anti-Bilious and Alterative Physic, this Medicine

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of 10 years in all cases where a good Physic and Alterative was required, and would not do without it. It is the

PHYSICIAN'S ASSISTANT,

As well as the safest family medicine in use. *Children* of all ages delight to take it. It will not gripe. *It tones the weakest Stomach. It produces no griping, but operates easily, thoroughly and effectually.* Nothing can be administered from the system that is so prompt and sure.

THE GREAT REMEDY FOR LIVING WITNESSES

are ready to testify to its surprising virtues, independent of its curative and anti-bilious qualities. It has cured the worst cases of Dyspepsia in a few days. It is a

NEVER FAILING CURE

for Headache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast and Limbs, Colic, Cramps, Worms, Lumbago, Blotches on the Skin, Pimples, Costiveness, Scrofula, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Female Irregularities, Bowel Complaints, Ulcers of all kinds &c. It cleanses by its superior corrective virtues, the poisonous humors from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to try the above Medicine, and pronounce a verdict as they shall be impressed by their experience. Those who know it professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity and its sales have increased beyond the most sanguine hopes. Numerous cases have been recommended to it as a sure and *UNEQUALLED PHYSICIAN*, Physicians carry it with them. *CHILDREN* will *TAKE NO OTHER.*

after one trial, and parents should use no other in their families. People living in low and marshy countries, subject to deadly miasmas, where fevers, Ague and fever, and bilious complaints are more apt to be, will find the Liquid Cathartic the most potent remedy yet found. Give it a trial.
