paper that the Light House Board has just re paper that the Light House Board has just re ceived bids for the furnishing of 95,000 gallers of oil for the supply of the Light House zervice during the coming year. Ameng the bids re-oeived was due from the Breckinridge Coal Com-pany of Kuntucky, proposing, to supply oil made from their coal. This was something quite un-expected; and as the bid from this norel article was a low one, the Board found themselves in something of a quandary. The Government, however, has had laid before it such apparently Indisputable evidences of the superior illuminat-ing quality of this oil, of its inaptness to gum, and its power to resist a lower temperature than
