Dr. Keyeer's Shoulder Braces—From Pittaburgh Dispatch, April 10th, 1836.—For mree than 3 pears past we have constantly worn the Washington Suspender Braces, manufactural by Dr. Geo, II. Keyeer, of No. 116 Wood st., in this city, and would heartily recommend it to all who are compelled to follow a security occurs tion. As we have before remarked, in calling strends to the security for the weight of the parallelons being so piaced as to continually it must be bring the shoulders to their natural position and expand the chest. Women, hundreds of whom are annually intered by the weight of common "kilita; thould also procure these braces. Be particular in procuring the kind mentioned, as many ethe braces cold are humburg. Sold at Dr. GRO, II. EEFERE'S, Wholesale Dreggirt, 144 Wood et, sien of the Golden Mortan.
