THE DAILY PITTSBURGH GAZETTE.

ESTABLISHED IN 1786. PITTSBURGH, FRIDAY MORNING, DECEMBER 12, 1856. VOLUME LXX---NUMBER 97.

NEW YORK ADVERTISEMENTS.

From WISSNER, OWEN & CO., General Newspaper Advertising House, (Appleton's Building,) No. 346 and 348 Broadway, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of $5 each, which has averaged me at the rate of $7,000 to $8,000 per annum; and, having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I am induced from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $3 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable at a small cost. There is positively No Humbug in the matter. References of the best class can be given as to my character, and I can refer to persons whom I have instructed, who will testify that they are making from $3 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several *ladies* in Maryland, where I have instructed, are now making from $3 to $6 per day at it. It is a *general business*, and but a few shillings required to start it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be perfectly understood by anyone.

All letters must be addressed (post paid) to A. T. PAGE & SONS, 355 Broadway, New York. da6lmdy

To Druggists and Physicians.

YOUR attention is invited to a new Medical preparation called the

CHAMPION LIFE ELIXIR.

The proprietor, of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is given, invites the examination of medical men, feeling sure that it will only result in a perfect confidence in it. A great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it which can be injurious to any person in the United States and cannot possibly be injurious. Circulars containing full information and testimonials can be had of the wholesale depot, 336 Bowery, New York. This is the only article of the kind in existence, and is truly wonderful. When used rightly and in due season, it exhilarates the whole system, tones and invigorates every organ, and by its great strength to the nervous system, it removes the mind at once, although chiefly local, in a marvelous degree, strengthening to the weak, and invigorating to the invalid and in effect throughout the whole period of confinement.

Here are a few testimonials for

Dr. Brunton—I have used your "Childbirth Pain Alleviator" a number of times in my practice, and find it to be the most excellent article, and one that I can recommend with every confidence to public. I offer it very truly yours cheerful. THEO. GUNNER, M. D., Washington st.

CHARLE, N. J., Nov. 17th, 1855.

Dr. Brunton—I have used several bottles of your "Childbirth Pain Alleviator," and find it the best article I ever used for the purpose. It lessens the pain and causes the birth to be effected easily and quickly. I cheerfully recommend it. FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 21th, 1854.

Dr. Brunton—After having been confined several times with great danger and much pain, I was induced to use your remedy by my brother, who had heard of its wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.

LOUIE BRAUER.

For sale by all respectable druggists, and wholesale only at 336 Bowery, 2d floor, New York. Price $3 per package. Packages sent by Express to any part of the United States.

F. BRUNTON, M. D., Proprietor.

JOSEPH WHITE'S CARRIAGE REPOSITORY.

JOSEPH WHITE now carrying on business in his spacious premises, (now lately enlarged,) between Pittsburgh and Lawrenceville, near the Two Mile Run, respectfully invites the public to inspect his stock of CARRIAGES, BUGGIES, &c. And he particularly informs gentlemen purchasers, that the price only is made. Fourteen years experience in the business, enables him to place before his patrons the same choice collection of Carriages, which so many years past it has been his particular pleasure to select from the various and most talented Eastern Manufacturers. The success of his new system is complete, the economy of his arrangements will supply the best and most fashionable Manufactures at moderate prices.

Unencumbered by those heavy expenses, which the wants for decorating Houses of business has heaped upon the price of Goods, (owing to large rents,) Joseph White will sell on ready money only, at much less than the usual profits.

NEW YORK ADVERTISEMENTS,

FROM

ALBERT G. RICHARDSON'S

Advertising and Correspondence Office,

320 BROADWAY, NEW YORK.

On Saturday, the Third Day of January, 1857,

HARPER & BROTHERS, New York,

Will issue the first Number of a Weekly Newspaper, to be entitled,

Harper's Weekly.

A JOURNAL OF CIVILIZATION.

THEY will spare neither labor nor expense to make it the best FAMILY NEWSPAPER in the world—one whose cheerful and genial character will render it a welcome visitor to every household, while its constant devotion to the principles of right and justice shall win the approbation of the wise and the good. Its object will be to set forth among views on Political, Social and Moral questions to diffuse useful information; and to cultivate the graces and amenities of life.

HARPER'S WEEKLY will contain a full and impartial Summary of the Political, Social, Religious, Commercial and Literary News of the day. It will chronicle the leading movements of the age, record the inventions of science, the discoveries of science, and the creations of art. It will, in a word, aim to present an accurate and complete picture of the life in which we live.

It will also give a due share of attention to the taste, the imagination, and the feelings. Its regular contents will embrace Tales, Incidents of Travel and Adventure, Sketches of Character and Social Life and Essays upon Art and Morals.

The publishers have made arrangements with the best American writers, who will contribute to its columns, to secure the excellence of the paper. The large space at their disposal will enable them to present the choicest productions from the best and most healthful literature of the Old World. In addition to this, during the early part of the commencement of Mr. Thackeray's new Social Tale, the publishers will receive from him early sheets, obtained from the author, will be contained from week to week in the columns of HARPER'S WEEKLY, thus giving it the benefit of the copyright, and will keep a vigilant watch over the literature of the English periodicals, so that no valuable production of which will be transferred to the paper to which it is devoted.

HARPER'S WEEKLY is not intended in any way to supersede or take the place of HARPER'S NEW MONTHLY MAGAZINE, but the former will continue itself to its own proper sphere, and no periodical will combine itself to its own proper sphere, and no periodical will combine more attractions than will appear in the latter.

HARPER'S WEEKLY will contain sixteen pages of the size of the *London Illustrated News*, each number containing as much matter as an octavo volume of 300 pages. It will be printed in a form and manner suitable for binding at the end of each year, when a title page and table of contents will be furnished, and the work will be complete in itself. Numbers can always be had to complete sets, and thus the work may at any time be completed. Back Numbers can always be supplied, and subscribers can begin at any time to complete their files. At the close of each volume, a copious Index to the whole will be given, for the convenience of those who wish to bind the paper.
