THE DAILY PITTSBURGH GAZETTE.

ESTABLISHED IN 1786. PITTSBURGH, SATURDAY MORNING, DECEMBER 13, 1856. VOLUME LXX---NUMBER 98.

NEW YORK ADVERTISEMENTS.

From VERSCHEL, OWEN & Co.'s GENERAL NEWSPAPER ADVERTISING HOUSE, (Appleton's Building,) No. 346 and 348 Broadway, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of $5 each, which has averaged me at the rate of $2,000 to $3,000 per annum; and, having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I am induced, from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable at a small cost. There is positively No Humbug in the matter. References of the best character can be given as to parties in character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $5 per day at it. It is a general business, and but a few abilities is required to start it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art, which can be perfectly understood at once.

All letters must be addressed (post paid) to A. T. PALS SONS, 335 Broadway, New York. de3 1mdy

To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the

CHILDREN'S PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great prejudice that exists against soothing syrups and the use of medicine and especially in the class of cases for which this is the article, invites an examination of its merits, feeling sure that it will only result in a perfect confidence in it. Great care is taken in the manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be injurious. Circulars containing full information and testimonials to be had at the wholesale depot, 256 Broadway, second floor. This is the only article of the kind in existence; its effects truly wonderful. When used according to directions, it entirely prevents the sufferings unusually attendant upon childbirth, and preserves the mental and bodily strength of the child in a marvelous degree. It acts on, although chiefly local, it is soothing and tranquilizing to the whole system, and must prove in its effect throughout the whole period of confinement.

Here are a few testimonials.

Boston, Mass., Feb. 10th, 1855.

Dr. Bunon—I have used your "Children's Pain Alleviator," and find it the best article I have ever seen for the purpose. It lessens the pain and causes the birth to be effected easily and quickly. I cheerfully recommend it. FRANCIS LIVERMORE, M.D.

New York, Oct. 24th, 1854.

Dr. Brunon—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had heard of its wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.

Truly yours, LOUISE HAUSER.

For sale by all respectable druggists, and wholesale only at 256 Broadway, 2d floor, New York. Price $1 per package. With full and simple directions for use.

Packages sent by Express to any part of the United States.
