THE DAILY PITTSBURGH GAZETTE.

ESTABLISHED IN 1786. PITTSBURGH, TUESDAY MORNING, DECEMBER 16, 1856. VOLUME LXX---NUMBER 100.

NEW YORK ADVERTISEMENTS.

FROM VISSCHER, OWEN & CO., GENERAL NEWSPAPER ADVERTISING ROOMS, (Appleton's Building,) No. 346 and 348 Broadway, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively, few others, whom I have instructed for the sum of $5 each, which has averaged me at the rate of $2,000 to $3,000 per annum; and having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I am induced from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable at a small cost. Shame is positively No Hinderance in the matter. References of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will certify that there are making from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several *ladies* in Various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $5 per day at it. It is a peaceable business, and but a few shillings is required to start it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post paid) to A. T. PARSONS, 315 Broadway, New York. dec8:1mdv

To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the

CHILDBIRTH PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great principle that exists against anything new in the practice of medicine and especially in the instances where this is so wonderful, invites the examination of medical men, feeling sure that its merits will be found to be pre-eminent. A great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be injurious. Circulars containing full information and testimonials can be had at the wholesale depot, 152 Bowery, second floor. This is the only article of the kind in existence. Its effects truly wonderful. When used rightly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental faculties unimpaired. The patient in a marvelous degree. In its act on, although chief of *tonic*, it is soothing and strengthening to the whole system, and most pleasing in its effects. Through the whole period of confinement, it is

The Publishers have made arrangements with the best American and European Artists to illustrate the various departments of the paper. The large space at their disposal will enable them to present, in each number, a large variety of choice selections from the best and most healthful literature of the day and time. The first number will contain the commencement of Mr. Thackeray's New Serial Tale, the publication of which in London has excited so much interest.
