I am induced from the success I have been favored with, and the many thankful acknowledgments I have received from those whom I have instructed, and who are making from $5 to $10 per day and up, to give any person an opportunity to engage in the business, which is easy, pleasant, and very profitable at a small cost. There is positively No Humbug in the matter. Addresses of the best class can be given as regards character, and I can refer to scores whom I have instructed, who will testify that they are making from $5 to $10 per day at the same. It is a business in which either ladies or gentlemen can engage, and which perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania, and Maryland, whom I have instructed, are now making from $3 to $6 per day at it. It is a general features, and but a few shillings is required to start it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post paid) to A. T. FALCONER, 372 Broadway, New York. decl8mdwr
