THE DAILY PITTSBURGH GAZETTE.

ESTABLISHED IN 1786 — PITTSBURGH, FRIDAY MORNING, DECEMBER 19, 1856. — VOLUME LXX—NUMBER 103.

NEW YORK ADVERTISEMENTS.

From VISSCHER, OWEN & CO., General Agents for Pittsburgh, (Gazette's) Publishers, No. 344 and 43 Nassau, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and, secured in a lucrative, permanent, and honorable employment, which, at first, when I have intimated for the sum of $5 each, which does averaged—and at the rate of $2,000 to $3,000 per annum, but having made arrangements to go to Europe in the fall of 1857, to engage in the same business, I am willing to give full instructions to any person in the United States or Canada, who will remit me the sum of $1. I am induced to this step, as I have been favored with, and the many thanks received, which I have received from those whom I feel acknowledged, I have resolved from those whom I have instructed, and the making from $5 to $15 per day at it; to give any person an opportunity to engage in the same business, which is easy, pleasant, and very profitable at a small cost. There is positively No Humbug in the matter. References of the best class can be given as to my character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Several ladies in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $10 to $8 per day at it. It is a general purchase, and both men and children is required to start it.—Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be performed successfully and correctly.

All letters must be addressed (post paid) to A. T. PARSONS & CO., 310 Broadway, New York. decl8-dly

To Druggists and Physicians.

YOUR attention is invited to a new Medicinal preparation called the

CHILDREN'S PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great prejudice that exists against anything new in the curative or medicinal art, especially in the class of cases for which this is intended, invites the examination of medical men, feeling sure that it will only require a fair test to commend it to general favor. Great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine and not adulterated. This is the only article of the kind in existence, in this affection in truly vermifuge. When used right, and in due season, it certainly prevents the sufferings usually attendant upon childbirth, and secures the prenatal influence that is necessary to the patient in a marvelous degree. In fact on, although chiefly valuable in its soothing and tranquilizing to the whole system, and most pleasing in its effect throughout the whole period of gestation.

Here are a few testimonials:

BOSTON, Mass., Feb. 10th, 1855.

Dr. Branson—I have used your "Children's Pain Alleviator" for a number of times in my practice, and find it to be a very excellent article, and one that I can recommend with great confidence. In fact, in 2—s are truly worse than useless. DENTER, M. D., 9 Washington st.

ORRINGTON, N. Y., Nov. 17th, 1856.

Dr. Branson—I have on various occasions used your "Children's Pain Alleviator," and find it the best article I have ever used for the purpose. It relieves the pain and lessens the birth to a special easily and quickly. Indeed, I cheerfully recommend it. Yours, &c., A. M. PERRY, M. D.

New York, Oct. 30th, 1856.

Dr. Branson—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had heard of its wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.

Truly yours,

For sale by all respectable druggists, and wholesale only by 164 Broadway, New York. Price $2 per package, with full and simple directions for use.

THE SLAVEHOLDERS THEMSELVES.—It is a significant fact, that some of the heartiest opposition Slavery come from men who first saw the thing Plantation." The Review article which Senator Butler arraigns, turns out to be penned by Mr. Hurlburt of his own state. James G. Birney relinquished Home and Slaves to become a citizen of a Free State, and a life-long opponent of the system. Candius M. Clay, reared and schooled among Slaveholders, maintains hot warfare for freedom, though if compels him to carry a Dirk in his pocket, and has twice cost him his Property, and once almost his life. Rev. Mr. Conway, born to an inheritance of Virginia flesh, abandons it for a Northern Pulpit. Francis P. Blair, himself a slaveholder, is a moving spirit in the Party for resisting further Extension. John C. Fremont, whose cradle was rocked in Carolina, is that Party's Candidate for President. Kentuckians are among the "Free State prisoners" in Kansas jails. Marylanders were among the most earnest "Free Constitution men" in California. Virginians by birth are among the sturdiest Republicans of Ohio.

There is no Anti-Slavery utterance at the South, solely because there is no Freedom of Speech. The extreme men lead there, and the prudent men, if they do not follow, hold their tongues.
