ESTABLISHED IN 1786 — PITTSBURGH, TUESDAY MORNING, DECEMBER 23, 1856. — VOLUME LXX—NUMBER 106.

NEW YORK ADVERTISEMENTS.

From VISSCHER, OWEN & CO., GENERAL NEWSPAPER ADVERTISING ROOMS, (Appleton's Building) No. 346 and 348 Broadway, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business for only to myself, and, comparatively, few others, whom I have insured for the amount of $2 each, which has averaged me at the rate of $2,000 to $3,000 per annum; and having made arrangements to go to Europe in the fall of 1857, to engage in the same business, I am willing to give full instructions to any person in the United States or Canada, who will remit me the sum of $1. I am induced, from the success I have been favored with, and the many flattering testimonials I have received from those whom I have instructed, and who are making from $5 to $15 per day at it, to give any person an opportunity to engage in this business, which is easy, pleasant, and very profitable to a small extent. There is positively No Humbug in the matter. Reference of the best class can be given as to my character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $15 per day at the same. If a Professor in any kind either in the country or city, engage, and with a little care make a very handsome income. Retail dealers in various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $5 to $8 per day at it. It is a general business, and but a few dollars is required to start it. Upon receipt of $1 I will immediately send the applicant a printed circular containing full instructions in the art which can be performed understood at once.

All letters must be addressed (post paid) to A. T. PALE BOOKS, 385 Broadway, New York. ce16eodw

To Druggists and Physicians.

YOUR attention is invited to a NEW Medicinal preparation called the

CHILDREN'S PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine, and especially in the cure of cases for which the remedy claims to be beneficial, invites the examination of medical men, feeling sure that it will only result in a perfect confidence in it. Great care is taken in its manufacture to procure only the purest drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be detrimental to the most delicate constitution. Many professionals can be had as the wholesale price, $9 per dozen. Sent by express to any part of the United States. This is the only article of the kind in existence. It is entirely vegetable. When used rightly it will prevent convulsions. It entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength of the patient in a marvelous degree. In fact no childbirth should occur where it is soothing and strengthening to the whole system, and most admirable in its effect upon the child in the after period of confinement.

Here are a few testimonials:

BOSTON, Mass., Feb. 10th, 1855.

Dr. Brunon—I have used your "Children Pain Alleviator" a number of times in my practice. I find it to be a most excellent article, and one that I can recommend with every confidence to the public. Its effects are truly wonderful.

Yours, &c., J. WASHINGTON, M. D.

ORANGE, N. J., Nov. 11th, 1855.

Dr. Brunon—I have on several occasions used your "Children Pain Alleviator," and find it the purest article I have ever used for the purpose. It relieves the pain and causes the birth to be effected easily and speedily, cheerfully recommend it. JAMES LAWRENCE, M. D.

NEW YORK, Oct. 24th, 1854.

Dr. Brunon—After having been confined several times with great pain, and much suffering, I was induced to try your remedy by my brother, who had heard of the wonderful effects. I did so, and experienced a most beneficial result. You have my best thanks, and I would cheerfully recommend your preparations to every sufferer.

Yours truly, MRS. LOUISA HAZARD.

For sale by all respectable druggists, and wholesale only at 338 Bowery, 2d door, New York. Price $3 per bottle. Packages sent by Express to any part of the United States.
