NEW YORK ADVERTISEMENTS.
From VISSCHER, OWEN & CO., General Newspaper Advertising Rooms, (Appleton's Building,) No. 346 and 348 Broadway, New York.

Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and one paralyzing few others, whom I have instructed for the which I have averaged me at the rate of $2,000 to $3,000 per annum; and having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I can instruct them in all sickness complaints I have received from those whom I have instructed, and who are making from $3 to $10 per day at it, to give any person an opportunity to engage in this business, which is very pleasant, an very profitable as a small cost. There is positively No Humbug in the matter. Reference of the best character can be given as to the parties character, and can refer to not one whom I have instructed, who will testify that they are making $10 to $15 per day at its rate. Pennsylvania and New Jersey, whom I have instructed, are now making from $15 to $25 per day with it. It is a *genteel business*, and one that is required to mast it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be performed, instructed at once.

All letters must be addressed (post paid) to A. T. PARSONS, 315 Broadway, New York. de8:1mdv
