Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and, comparatively few others, whom I have instructed for the sum of $1 each. Which has averaged me a little more than $1,000 a month per year, and having made arrangements to go to Europe in the fall or first of spring to engage in the same business, I am willing to give full instructions to any person on receipt of $5, which is the last sum I will receive for the same. I am induced from the success I have had, to offer it to the public, as I am daily encouraged to make I have received from those whom I have instructed, and am sure any man or woman can pay $5 to any one person an opportunity to engage in a business that will yield a large income, as it can be done on a small cost. There is positively No Humbug in the matter. For proof of the best class of testimonials, I refer to persons I have instructed, who will certify that they are making from $3 to $15 per day at the same. It is a business in which either ladies or gentlemen can engage, and with perfect ease make a very handsome income. Address, post paid, with stamp, A. T. PARKER, Box 1,222, New York State, Pennsylvania and Maryland, whom I have instructed, will please make a note of this. dec29-6t

To Druggists and Physicians.

YOUR attention is invited to a new Medicine and preparation called the

CHILDBIRTH PAIN ALLEVIATOR.

The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine, and especially in cases for which this is intended, has, after the examination of medical men, feeling sure that it will very soon be a perfect necessity in every case where it is taken in its manufacture to procure only the purest of drugs, and only such as are warranted genuine are used. There is no ingredient in it that would injure any person, and the whole combined cannot possibly be injurious. Circulars containing full information sent free. Depot, No. 130 Fulton st., Brooklyn, third floor. This is the only article of the kind in Brooklyn. Its efficacy is truly wonderful. When used faithfully and in due season, it entirely prevents the sufferings usual after childbirth, and preserves the natural and bodily strength to the patient in a marvelous degree, effecting so safe, although chiefly local, a counteracting to the whole system, and most pleasing in its effect throughout the whole period of confinement.

Dr. Brunon—I have used your "Childbirth Pain Alleviator" a number of times in my practice, and find it to be a most excellent article, and one that I can recommend with every confidence to the public. Its certificates are truly wonderful. THOS. GUNNELL, M. D., Brooklyn, N. Y.

ORANGE, N. J., Nov. 17th, 1856.

Dr. Brunon—I have on several occasions used your "Childbirth Pain Alleviator," and it has been a perfect success in every case. It lessens the pain and shortens the period of confinement, and is, indeed, a most valuable remedy. I cheerfully recommend it. FRANCIS LIVINGSTON, M. D.

NEW YORK, Oct. 24th, 1856.

Dr. Brunon—After having been confined several times with great danger and much pain, I was induced to try your remedy the last time, which has had the most beneficial effects. I did so, and experienced a most beneficial result. I have in my last travels, and I would cheerfully recommend your preparation to every sufferer.

Truly yours, LOUISE BRAUNER.

For sale by all respectable druggists, and wholesale only at 138 Fulton st., 2d floor, New York. Price $3 per package, which will be sent by Express to any part of the United States.
