Important to Everybody.

FOR the last three years I have been engaged in a business known only to myself, and comparatively few others, from whom I have instructed for the sum of $5 each, which has averaged me at the rate of $5,000 to $6,000 per annum, and having made arrangements to go to Europe in the fall of 1857 to engage in the same business, I am willing to give full instructions in the art to any person in the United States or Canadas, who will remit me the sum of $1. I am induced, from the success I have been favored with, to make this my thankful acknowledgments I have received from those for whom I have instructed, and who are making from $5 to $10 per day at it, to give any person an opportunity to engage in this business, which is very pleasant, and very profitable as a small one. There is positively no Humbug in the matter. Reference of the best class can be given as regards its character, and I can refer to persons whom I have instructed, who will testify that they are making from $5 to $10 per day at the same. It is a business in which either ladies or gentlemen can engage, and with a perfect success when favored with but ordinary ability. In various parts of New York State, Pennsylvania and Maryland, whom I have instructed, are now making from $3 to $6 per day at it. If it is not perfectly satisfactory, a few stamps is required to start it. Upon receipt of $1, I will immediately send the applicant a printed circular containing full instructions in the art which can be perfectly understood at once.

All letters must be addressed (post paid) to A. T. PALMER, 208 Broadway, New York. dec31mdv
