**To Druggists and Physicians.**

YOUR attention is invited to a new Medicinal preparation called the

*CHILDBIRTH PAIN ALLEVIATOR.*

The proprietor of this article, well aware of the great prejudice that exists against anything new in the practice of medicine and especially in the class of cases for which this is intended; invites the examination of medical men, feeling sure that it will only require a perfect confidence in its purest drugs, and strictest accuracy in the manufacture to procure only the same. There is no ingredient in it that would injure any person, and the whole combination cannot possibly be injurious. Circulars containing full information and testimonials can be had at the wholesale depot, 84 Walker street, second floor. This is the only article of the kind in existence. Its effect is truly wonderful. When used rightly and in due season, it entirely prevents the sufferings usually attendant upon childbirth, and preserves the mental and bodily strength to the patient in a marvelous degree. In its action, although chiefly local, it is soothing and strengthening to the whole system, and most pleasing in its effect throughout the whole period of confinement.

*Dr. Haynes*—I have used your "Childbirth Pain Alleviator" a number of times in my practice. I find it to be a most excellent article, and one that I can recommend with every confidence to the public. Its effects are truly wonderful. THOS. HAYNES, M. D., Washington st.

ORANGE, N. J., Nov. 17th, 1853.

*Dr. Brunch*—I have on several occasions used your "Childbirth Pain Alleviator," and find it the best article I have ever used for the purpose. It lessens the pain and causes labor to be effected in a short space of time, and I cheerfully recommend it. FRANCIS LUYSEUR, M. D.

NEW YORK, Oct. 24th, 1854.

*Dr. Branon*—After having been confined several times with great danger and much pain, I was induced to try your remedy by my brother, who had heard of its wonders in all cases. I did so, and experienced a most beneficial result. Yes, have not suffered pain, and I would cheerfully recommend your preparations to every sufferer.

Truly yours, LOUISE BRAUER.
