PITTSBURGH CHEMICAL AND VARNISH WORKS

FINCH & CO.,

RESPECTFULLY inform Druggists and Dealers in Varnishes generally that they have for some time been engaged in the manufacture of the above articles of Copal and other VARNISHES, and are now prepared to supply their friends and the public generally with articles of the very best manufacture, made of the best materials, and treated with the greatest care and on the most favorable terms.
FINCH & CO. intend to devote themselves to cultivating a first class business, and hope, from their efforts, in trial, will prove satisfactory. Their tariff of prices will be found equally low with any of the inferior articles sold, being determined that no article shall leave their works of inferior quality. A liberal share is only asked for a trial and a share of public patronage.
The Pittsburgh Varnish is equal to any English Coach Varnish of the very best kind, having the exact appearance of the best Oil Varnish, and is made after the process of the late Mr. Thomas Douglass, who for many years was engaged in some of the most extensive varnishing establishments in England and Scotland.
Our Anti-Corrosive BLACK VARNISH we would particularly recommend to Founders, Boatbuilders, and Machinists generally, as being a most valuable and effectual preventative against rust, which is a great desideratum to those using varnish for iron, and preferable to vermilion and other coverings.
All orders left at Messrs. JOHN IRWIN & SONS' Front street, will be punctually attended to, or with JOHN IRWIN, 127 Third st.

Reed's Patent Steam Engine.

THESE IMPROVED ENGINES (for which patents have been granted and first premiums awarded to the Inventor, both in the United States and Europe,) continue to give such satisfaction, on account of their economy and compactness, as has never been established an reliable manufactory, and are prepared to deliver at the shortest notice engines from ten to horse power and upwards.
These engines have been accurately tested, and have shown an economy of twenty per cent in fuel, and about three years in oil and repairs. This saving is effected by letting the steam in the cylinder cut off at thirty degrees through large openings, removing the pressure from the valve and allowing it to steam to escape or exhaust from the passages except from the cylinder alone; also by reducing the weight and friction to about half that of the ordinary engines. We place the engines since upon an improved bed-plate with all the pipes attached, and the whole mounted on small wheels convenient to ship to any part of the country, and to avoid the necessity of an experienced engineer to start them, they are all tested before leaving the factory.
Reed's Patent Steam Pumps are also coming into general use on steamboats, in mines, and for supplying oil-[illegible] where they are now giving great satisfaction. They are very simple, not liable to get out of order, and are compact and simplicity. Taxes engines and pumps may be seen in operation, or further information had, by calling or addressing

To Consumers of Pickles.

BELIEVING that the Public have become tired of purchasing Pickles in Packages, holding, in many cases, fifty per cent less than represented, we have commenced putting up, in addition to our present second class, a first class article, which we are labeling "WM. UNDERWOOD & CO'S EXTRA PICKLES," and are selling into families at 25 cents. Each bottle stamped in the glass, with their exact contents in ounces—thus enabling the consumer fairly to judge.
These Extra Pickles are put up with every regard to style, quality and flavor, and will be sold at fairly remunerative prices.
We have made no change in our manner of Greening Pickles, never having Greened to any deleterious means to attain this end. The Choice Vinegar which we use is made from select fruits and is entirely free from Vitriol or any other mineral acid, which is not the case with that used in most brands of English Pickles found in this country.

MEDICINE.

Health and Strength must Inevitably follow its Use!

BOERHAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS OF ANY KIND
FEVER AND AGUE,

AND the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Costive Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Bilious and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure permanent. It communicates no violent shock to the system, but by arousing its chief energy to its real action, enables it to throw off the cause, and thus thoroughly eradicates the disease.

Where its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is sold by many of the grocers, as well as all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have tried many advertised remedies, and still suffer from Dyspepsia in one or more of its dreadful forms we subjoin the following certificates, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick.

Wm. Schuchman, Esq., the well known lithographer, says: "I have frequently used Boerhave's Holland Bitters and find it invariably relieves indigestion and debility."

Rev. Samuel Babcock says: "I found special relief from its use for a severe headache, with which I had long suffered."

L. Woodwell, Esq., says: "I have used Boerhave's Holland Bitters myself, and recommended it to others, knowing it to be worthy of public confidence."

Ald. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness of the stomach and indigestion."

James H. Murphy says: "After several physician had failed, Boerhave's Holland Bitters removed the pain from my heart and side, arising from indigestion."

The editor of the Christian Witness says "After one of the best physicians in this place had failed, Boerhave's Holland Bitters cured me in the second week."

Francis Fehr, only manufacturer of the "original Extract of Hops" in this city, knows that your Holland Bitters is one of the best medicines in the world for a disordered stomach and liver.

Dr. Linowiz, editor of the "Packet," Baltimore, pronounces it a panacea worthy the confidence of the public.

Dr. Ehrenhart, the leading German physician of Pennsylvania, has prescribed it frequently during the last 8 years, with marked success, in cobilitated states of the digestive organs, and of the system generally.

The Germantown Telegraph Manufactory says: I used it myself, and was thereby induced to try its effect upon my wife, (troubled with the ague and chills for six years of a consumptive habit,) and really it is doing her more good than anything she has ever taken.

Boerhave's Holland Bitters is for sale by all druggists, at $1 per bottle, or five bottles for $5,00, by the Proprietors.

Also, boils and pains in the bones and limbs effectually eradicated.

Dr. Jean would further state, that thousands fall victims to disease owing to unskilful management, by the use of Mercury, Sarsaparilla, Nitre, Iodine, Arsenic, Lunar Caustic, Quicksilver, with blotches on the head, face and body; diseases of the throat, nose and bones, deafness, noise on the chin bones, ulcerated sore throat, rheumatism, pains in the nocturnal pains in the head and limbs, till at length a general debility, loss of sexual constitutional energy, and a melancholy death puts a period to their dreadful sufferings.
