TIME CHOINEMATH RELIESE FUND.—Every thing way of damages. The property referred to is supposed in be the property which the Company has desired so long to got possession of near the dop deposed to be the property which the Company has desired so long to got possession of near the deposite—the one at the canal especially. sent on to the summerers to casy. Donations of money come in liberally. We shall rejoice if we can report within the next two or three days that a mengre installment of the debt we have owed Clinchnaki now these seleven years, has been paid. We are only sending them the inter-ext of an 0d debt. We have nearing and for that reason and ibe other crying one of to days gavo out yesterday atternoon, and while we write (8 P. M.) the rain is pattering upon the wildow panes, as if it wore beating the "Rogue's Manufactures and Desire in all kinds of to days gavo out yesterday atternoon, and while we write (8 P. M.) the rain is pattering upon the window panes, as if it wore beating the retiring Frost King-to days gavo out yesterday atternoon, and while we write (8 P. M.) the rain is pattering upon the window panes, as if it wore beating the retiring Frost King-to-day-lack of space, we omit them.] Mr. Storenson also presented a bill to charter and debt. We have have martionlastiv sent on to the sufferers to-day. Donations of owed Cinclinati now these eleven years, has been paid. We are only scaling them the interest of an old debt. We have been particularly planzed with sogno of the demonstrations of feeling in this matter which have come under our eye. A man who earns by hard labor his daily bread, stepped in yesterday morning, muffed to the sognal dollars. "There," said he, "put that is the two gold dollars. "There," said he, "upt that is the two gold dollars. "There," said he, "upt that do these things don't care publicly to be called by name. Their reavord is in their own hearts. The above is but one instance.
