his article, the words rose unbidden to our leps —"Be still, and know that I am God!" He who issued see the finger of Providence in this sad vent must be wilfolly blind; he who does not reach the workings of that ——"divinity which shapes our ends." ——"divinity which shapes our ends event must be wilfally blind; he who does not trace the workings of that - 'divinity which shapes our ends,"
in so marked a case as this, may attribute if he will every thing to the operations of chance. die. Mr. Brooks could not expect to be an ex-"ception." All this is true, but God works through those very actions of men which are so entirely at war with His divine commands, and makes their operations upon the inner man, upon the mind and thence in retreaction upon the body, the ministers of his wrath upon great transgressors. Many another man besides Herod has been smitten unto death, although that instance was more marked and the later vention of the supernatural more patent than any in these latter days. In the case in hand consider what would be naturally the effect upon the preparator of such a crime as that which the unfortunate man who has now gone to his secount committed upon the person of Mr.

Secount committed upon the person of Mr.

We have the charity to heliers in the conference took because, Saturday in the propagation of the Cincinnati for feel, that a large impropriate meeting in that borough. It is understood that he will be read a bill in place concerning the same as Laccas. The only business which interests Western The nonly business which interests Western The only business which which was transacted in the House to day, was the precentation by Mr. House to day, was the precentation by Mr. House the day of the Security of the Memorial of the Board of Trade, concerning the improvement of the new initial to the constantly of the security of the se cally vicious education, Brooks thought he was held on Sunday. This committee, while making that he would teach him better manners by a cautog which was intended to wound the pride more than the person of the Senator. Allowing that Mr. B. felt this, while it is really no excuse whatever for his grievous wrong, it will serve to show what terture he must have euffered as the true nature of his dressful orline broke gradually upon him. He heped against hope. He pint as good face upon the deed as he was able. He pinted daily for news that the man he has so insulted and injured was growing better. He followed in mind the visium of his guilty deed to the received of the followed in mind the visium of his guilty deed.

The Previent of the Little Minimi road promis-

of his recovery! columns of any leading paper of the day !-- roads for the citizens, but to contribute columns of any leading paper of the day?— reads for the citizens, but to contribute all in the read the fact that Mr. Bumner has become the mere wreck of his former self; that he cannot yet fix his mind upon any subject the meeting on Sanday and produced a good steadily; that any exercise of a violent nature offect.

These he read the fact that Mr. Bumner has become their power to check the grasping averies of the coat and with the same dress I were in July and Aggust without feeling cold. In the early part of next week, if the reads are passable. I proceed to the Adirondsek and other mountains clad in my Sammer costume."

A dispatch from this city, announcing what prostrates him; that alone in darkness he spends A dispatch from this city, announcing what chaolem of his finely organized brain has been duced a great sensation, and a resolution of disarranged, and, in a word, that the man whom thanks to our citizens was adopted. be only intended to disgrace by an attack in definee of constitutional right, he has probably learn that a similar dispatch was read on rulaed foreser by a brutality in the very teeth of the laws of God and the constitution of naof the laws of God and the constitution of nature. That empty seat in the Senate Chamber came to his troubled dreams like a terrific ghoet; the bloody form lies there upon the Senate floor; the spots of blood are there, those spots that the waters of an ocean could not wash away to his eyes. Moreover, near and dear friends who had been eitemed by Mr. Brooks, in his better days, gradually broke away from him; gentle wemen, whose smiles he had loved to greet; passed, him coldly by. Those who in public and for effect had professed to stand by him and defend his great wrong, he knew despised to the constitution of the constitution of the constitution of the poor of this city, and that another train would start late night.—

We certainly live in a most charitable ago.—

The numerous acts of benevolence observable at home and abroad exercise as oftening influence upon their books that will take them several days to fill. We believe 55 cents.

The numerous acts of benevolence observable at home and abroad exercise as oftening influence upon their books that will take them several destribution constitute foolish disustion conversation at Worcester. A friend represented it to him as composed of Garrisonians and two or three days econycle at the seconycle days econycle at the bene established at this icy season breams because they considered it a capital time days perputic, and especies dyspeptic, and especies dyspeptic, and especies dyspeptic, and esuppose at two condent of Garrisonians and two or three according to him and other train would and defend his great wrong, he knew despised him in their hearts. The very skies had coased to smile upon him. The air was no longer sympathy in the misfortune which our local col-The fortress of chivalry itself had been taken his speedy reinstalment in his old quarters. by storm. Even if in his unhappy state of mind he could have gained a transient ray of comfort from the defeat or disgrace of the kind and amiable man whom he had so foully wronged, that little foothold was swept away. Mr. Sumner, crowned with the full wreaths of a victory unprecedented, is ready, if ever he shall recover er, to fill the seat so long descried; to stand up to speak out to the listening world again his burning words of truth. People, Senate, House, ned, the wise, the good of all lands breathed in sympathy with the injured Senator, while they denounced in unmeasured terms the ture to-night in Lafayette Hall. perpetrator of the wrong. What was left for

while they denounced in unmeasured terms the perpetrator of the wrong. What was left for the unbappy man who has gone to stand before his Maker, what refoge was left but the grave?

It is thus that an averging Providence works on the stand that the stand of pleasure, caused every foult of joy to turn to ashes upon the parched and fevered lip, and makes every seen to flife a swift minister of its wrath upon the criminal. Every object is colored by that predominant one which we colored is at its were from the retine, all images but that of a broading horsor which glares out of all things, dried up the blood at its searct springs and brings, and for the sad event which we are called to record. It is none the less providential because disconnected with any striking interposition of God's Handwise of the profoundest pity for the man as he lies in his schroud, that he died without having told to Mr. Summer the deep grief at his heart for the deed which he was so meak and whose jostetic news the sumpurchasable and whose jostetic news the sumpurchas

some of them went home last week, and crossroad school-house politicisms of the bogus democracy had deminded of them why their names
had not been appended to that remarkable offusion of genius. Terrified lest the universally
harmonious might hold them responsible for such
political turpitude, they came back surcharged
with a determination to do deeds of desperate
valor. They were, however, arrested in said
career by Ball, of Erie. He at once objected to
the power of the House to receive and officially
place upon record by its vote such a decoument.
He maintained that it was in the nature of an
indictment arraigning the action of the joint con-WOOD, MOORHEAD & CO., MANUFACTURERS OF AMERICAN GALVANIZED SHEET IRON. And Bole Agents for the Walt of W. Dawers Wood's Patent Imitation Russia Sheet Iron. Galvanized Corrugated Iron, for Roofing.

properties, its he itual use enabling the stomach to diges; the food.

On the Continent of Europe, these qual, ties have been testified to by a gentleman, who writes to LEAE PERIMINS thus: "I here carried a bottle of your Wornestershire Seuce in a tour I have just competed through Egala and believe I owe my present state of health t its easy your Sence is stomachia, and I think medicinal, can with truth say there is nothing in a traveler's barges so essential to his comfort, at least in these countries, as your Sence.

In India, also, where it is found at the meas- of every regiment, a medical gualdenan writes from Madras to his brother in the same profusion at Worcoster, in the following terms: "Tell test Perrien that their same is highly approved in India, and that it is, in my opinion, the mest Valutable as well as the most wholecome same made."

A Safe that will be safe against the rav-greeffice can be had at JURBUR BARNER in this ity. The following testimonial, which appears in the it. Louis Expublican, of the 10th, speaks voluments thair avor. The builders of these live Percon have established

self hister to the public.

The above mentioned; ale was, this day repused in measures, and I here eith certify that the large amount to back and papers therein contained were in cood ord not the writing perfectly legible. B. B. M. RUNYAN.
Fr. Lotti, January 9, 1867.—jail226.md were in cook order.
