1

declared that the return of the treaty will occasion the prompt resignation of Mr. Dallambe, in his various communications to the Department of State, having writing with evident pleasure, and taken great credit to himself for the state of the state of

lected, without solicitation, by the Committee of a more satisfactory way. It has been found that very many of the fires of last winter were caused by the heaters and furnaces. It is proposed to raise the rate of premium ten per cent. on all stores using them, and besides, endeavor to induce the Legislature to pass a law prescribing the manner in which they should be put in infeture.

The Moying of the Warres.—The Ohlo river has in its breaking up this winter, behaved itself very well. Hore damage has probably resulted at the cities of Troy and Albany on the Hadson alone, the designation of property on the Schopikill, the Scaquebanna, and portions of it are sill being the warry to the Schopikill, the Scaquebanna, and portions of it are sill being and various piers of the Schopikill, the Scaquebanna, and portions of it are sill being defined and various piers of the Belaware, the Cuyahoge, the St. Jucephs and various piers of the Belaware, the Cuyahoge, the St. Jucephs and various piers of dellars.

In the Moyer of the Schopikill, the Scaquebanna, and portions of it are still being gradually removed by the combined effects of the flood and various piers of the Schopikill, the Scaquebanna, and portions of it are still being gradually removed by the combined effects of the flood and various piers of the Schopikill, the Scaquebanna, and various piers of the Schopikill, the Scaquebanna, and portions of it are still being gradually removed by the combined effects of the flood and various piers of the Schopikill, the Scaquebanna, and portions of it are still being gradually removed by the combined effects of the flood and the cities of Troy and piers of the Schopikill, the Scaquebanna, and portions of it are still being gradually removed by the combined effects of the flood and the cities of Troy and piers of the schope and portions of the proposed the proposed the proposed the proposed the proposed pro

and various rivers of minor importance throughout the West. On the Hudson alone, the damage is estimated at two millions of dollars.

The Journals of St. Petersburg announce that Mr. de Stoechi, who for some time past has official das Busslan Charge d'Affairs at Washington, has been raised to the rank of full Minister near our Government. This promotion was announced in a masse dated on January 13, the Busslan New Year's Day. We presume the official documents will reach the new Ambrass dor by the next mail. His appointment will be a source of greatesticianton to his many friends in this country.

The Journals of St. Petersburg announce that Mr. de Stoechi, who for some time past has official days with it at least two spans of the bridge. Efforts were made yesterday evening to arrest the further progress of devastation to the pier, by placing stont wooden beams under the most threatening overhanging stone was the pier, by placing stont wooden beams under the most threatening overhanging stone was the pier, by placing stont wooden beams under the most threatening overhanging stone exposed than ever. Should the water continue at the same stage, and contain the same quantity of floating ice twelve hours longer, the pier for them.—Harrisburg Tel. Tuxeday.

Dien —In Titusville, at a very advanced near the foot of the pier fall, which wood of course have brought down with it at least two spans of the bridge. Efforts were made yesterday evening to the pier, by placing stont wooden beams under the most threatening overhanging stone the pier, by placing stont wooden beams under the most threatening overhanging stone of the pier, by placing stont wooden beams under the most threatening overhanging stone of the pier, by placing stont wooden beams under the most threatening overhanging stone of the pier, by placing stont wooden beams under the most threatening overhanging stone of the pier, by placing stont wooden beams under the most threatening overhanging stone of the pier, by placing stone wooden beams under the most th

dor by the next mall. His appointment will be a source of greatestisfaction to his many friends, in this country.

It my probable profits of the Submarine Telegraph across the Atlantic are counted up by the Washington correspondent of the Philadisphis Ledger as follows:

We do not discover clearly why the Company which have so a treasmoully sought the aid of our Government. The patronage of one Government is quite sufficient to sustain the Company, and the ships of England in every way capable of submerging the call in every way capable of submerging the call in the patronage of the Montananty, and the ships of England. The profits on the undertailing, will be sufficient for sail expects of the undertailing, will be sufficient for sail expects of the undertailing, will be sufficient for sail expects of the undertailing, will be sufficient for sail expects of the undertailing on a capital stock of 2850,000 steril go, on a capital stock of 28

fredal Consupendence of the Camille.

SPECIAL NOTICES.

A member coming from one of the sovereign States, he knew neither the Democratic nor Republican side of the House.

Will be one ero long. There seems as yet to be publican side of the House.

He believed it was a presumptive conclusion to say what would be the conclusion of the Committee. He knew his remarks would find their way into the New York papers, but he would remark that they should treat the matter with fairness and approach it with justice, but he should, as a member of the Judiciary Committee, decline taking jurisdetion of the subject after what had been said.

After forther debate, the Senate—yeas 12, nays 33—refused to refer the credentials and protests to the Judiciary Committee.

The Blirmingham wharf bill will be the cause of a very pretty fight between the owners of the owners of the property and the berough. Mr. Canaban, the opportunities, decline taking jurisdetion of the subject after what had been said.

After forther debate, the Senate—yeas 12, nays 33—refused to refer the credentials and protests to the Judiciary Committee.

Prof. Wood's Hair Restorer.—A Real Hair Restorer,

Mr. Famuel Jones, a Methodist clergymen, residing in
Murrayrille, Westmorshand countr, cays that his hair
had been getting gray for the last twenty years, and was
disposed to fail cut. He used two bottles of Prof. Wood
Hair Restorer, which entirely stopped the failing out o
the hair all the hair resumed its original color, and has
kept the color now for nine months. This is a common
case, but we publish it because it is east home, so that
the public may be convinced that Wood's Hair Restore
