Dealers in
Fine Clothing!
221 BROADWAY,
Second door above the ASTOR HOUSE.....NEW YORK.

WOULD suggest to the Trade, that they will be prepared for Spring sales with their usual extensive stock of the finer qualities of
READY MADE CLOTHING.
In reference to which they would suggest, that the facility with which their goods can be fitted, every garment being marked in lengths and breadths, the same size breast being varied to suit different proportions of the same measure, should give them a preference over any clothing, the ease of which are indefinitely marked. The difficulty of readily suiting persons from that fact, it is presumed, has been in a very measurable realized. In a word, present sales are directed to a determination to render strict attention to every respect to the best custom work, and garments equal in every respect to the best custom work. fe6:3mo*

Our Oil is made at our own Factory in Newfoundland, and each bottle has our signature over the cork, be sure, and refuse all others.
