The same individual made appli-cation the previous day in the District Court to be discharged from his obligation to serve as a soldier; on the ground that he was intoxicated when he emlisted. The Court refused the appli-cation, and remauded him to the government an-therity. Elevant is a young married man, his wife haying been appointed a laundress in the army, but ahe was discharged the other day from this position on account of some difficulty between Stewart and his Sergeant. The inten-tion was to have him sent to Covington Barracha and separate him from his wife, but a charge of false pretences having been made against him some time ago, his friends had him committed to this other, where he says he would

CONTIDUMON MAX. —A. NEW DODGE. —Mr. Gregg, of the firm of Logan & Gregg, wholesale hardware merchants, on Wood street, made in-formation before Mayor Weaver yesterday, charging a man who gave his name as J. N. When Messra. Logan & Gregg want to the cank to get the check cashed they found that the supported upontial of Min-L. were now at insentue, and that he was utterly unknown to the officers, and at once made information set insentue, and that he was utterly by this time left for parts unknown, and could not be found. The officers are on his trall, however, and he may possibly be captured soon.
