oradinanor, equal in number to its representatives the two Hones of the State Legitlature, and po porce will be entitled, by substitution, to represent a district in which he does not reside. CHASLES GIBBONS, Chairman of State Executive Committee. Union County Convention.

The opponents of the present National Administration and of the Gincinnst Platform, are hereby requested to meet in Leif several election district, in this county, at the meal place of holding arch meetings, from each, to meet in County Gouvenion, on WBDNESS-DAY, March 18th, 1857, at 11 clock, A.M., at the COURT HOURS, in the city of Fitthough, for the purpose of electing delegate to the Bate Convanient, to be held at Harributer, on the 23th of March, for the purpose of electing delegate to the Bate Convanient, to be held at Harributer, on the 23th of March, for the nomination of Chamber of the County of the Coun

coroughs between the hours of 7 and 9 P. M. By order of the Union Executive Committee of Alleghe 17 county. BUSSEL ESERT, Sec'y.

THE DECISION IN THE CASE OF DRED SCOT out of the way to protect Freedom at the expense ern men. . The decision is a fitting crown to the aborted tyranny which has just submerged with dead with the living administration. It comes

those we have on record? New lights: have Story and Marshall, Jefferson, Madison and Supreme Court understood it. We Monroe hide their twinkling lights before the than any thing we had before conceived of. The State of Illinois for example, under this decision in her legislative capacity, has no power to enact such a law as can make a slave coming there with the consent of his master a freeman! The decision that the Court has no jurisdiction in this case makes all the other remarks from the beach touching the ordinance of 1787, and the compromise of 1820, more obiter dieta, it is true, but the fact that the Court has gone out of its trumpets to the four corners of the earth the eager alacrity with which it echoes the mouthings of demagarous like Pierce and Douglas .-We may henceforth throw to the winds the reas-oning of Story and the decisions of Marshall, so far as this court is concerned, and submit to weak old man to the executive chair, given the its foundations which four years of misrale bas. served so much to weaken, and which the four

against the Pennsylvania Railroad, to wit: its and there will be comparatively few importations burgh interests in favor of competing cities wast of us. That road, it will be seen, last year carried flour from Cincinnati to Philadelphis at a rate which gave the Cincinnati manufacturer of 25 cts per bhl.; and when at last it yielded to repeated remonstrances on this point, it only tock off 15 of the 25 cents difference, leaving titll a balance of 10 cents a barrel in favor of competing of the rainous discrimination thus exercised against it, the Pearl mill, at one time a thriving and flourishing concern and a very useful control to the city, was thrust to the wall and compelled to suppose operations.

The real same of the point is fortered by dealers in foreign wares.

As to the reduction of the daty on iron, the capturer says:

"The reduction will unquestionably tell with sever effect upon the Iron interests. It will manufacture of iron bas for the last few years been making, and which based fair to render this control of the rainous discrimination thus exercised against t, the Pearl mill, at one time a thriving and flourishing concern and a very useful concern and a very useful concern and severy useful control of the city, was thrust to the wall and compelled to suspend operations.

Pennsylvania road, over the Pittsburgh miller? When the county of Allegheny was induced to meaning the country of Allegheny was induced to meaning the country of dollars to aid in building the country of country of the country of country of the cou competing enterprises in other cities. We know it will be said that all this is owing

to the topnage tax-that if it were not for the tennege tax of ten cents on the barrel of flour ad could carry as cheaply for Pitteburgh as for Cincinnati millers. But why, we cak, does the tonnage tax operate in the one case es much tax on Cincionati as on Pittsburgh flou make it an expuse in the one case and waive it business men into a demand for the repeal of having nine.

the tomage tax, the policy argues but a poor knowledge of human nature. So far from acverse. It would need but few figures to enumethat tax. They know that they are entitled to ment of much better books which we advise equal privileges with other shippers, under exigling circumstances; and if that is not conceded to them, now, they see nothing in the proroad, in the hope that then they will enjoy a bet-

BROAD TOP MINERAL REGION .- The construction of the Broad Top Rall Boad, from Huntingdon into the Broad Top coal region, has opened on into the proper to the fine are of the mineral resources of the State. There is to be found, not only of the State. There is to be found, not only of the State. There is to be found, not only of the finest iron ores to be found any where in Pannaylvania, by the Supreme Court we can see no office of H. S. Kirgo, corner of Water st. and Chancery Line, and we advise all who take an interest in such matters to call and see for them

Is Ir Lay the threshold of the fierce carried in the specific of U. S. Attorney General leaves another place we design at there shall be no misunderstand. ing as to our position on the great point raised the Banreme Court in the Dred Scott case We shall treat the so-called decision of that place which they were then aware would be Court as an utter nullity. It is not law, and it vacant, Judge Ellis Lewis of Philadelphia. An has no binding force upon either the people or other candidate of course is now needed in ad the government. It is not an authoritative inter-dition to him, and the Republican convention will protation of the Constitution, nor is it, legally, have two gentlemen to neminate for this posidecision entitled to any weight whatever. It tion in their convention which will be holden at simply a demagogical etump speech from the Harrisburg on the 25th of the present month. hustings of the supreme bench, got up in legal We have avoided mentioning any names of per-phrase to suit the necessities of the Buchanan sons as candidates for the different offices which and the ermine to achieve the task of framing a

Look at the facts in the case. Dred Scott, an formed or to close our columns to the frie party bringing it had no rights in that Court. | manded all the respect due to that position. f so many individuals.

as authoritative and conclusive; but Gen. Cass replied that the opinion was an incidental one. oreign to the case at issue, and was a mere obiter dictum-au opinion, but not law. The Demo--We do not know how other persons may feel cratic party sustained Gen. Cass in this view, in view of the recent dicta of the Supreme and from that day to this has refused to be bound Court in the case of Dred Scott, an abstract of by that decision of the Supreme Court. On the which was published in our telegraphic column same ground we object to this decision. It is a on Saturday morning, but it appears to us that mero opinion, delivered in a case is which the the almost diabolical spirit it evinces in going Court admitted it had no jurisdiction—a mero mere opinion, delivered in a case in which the obiter dictum, devoid of all legal force or au-

Democratic authority for disregarding all such decisions. Prior to the great Bank struggle of Pierce: an iron clasp, well forged to link the 1832, the U. S. Supremo Court had decided a National Bank to be constitutional. Gen. Jackpat upon the recent lnaugural, "rounds and caps son and the Democratic party set this decision it to the tyrant's eye" and just fills up the cup aside, and proncunced the Bank un constitu-of iniquity. What matter is it that this decision upsets guided in his political opinions by the Supreme Court. He had sworn to support the Constitu arisen with the progress of revolving years, and tion, he said, as he understood it, and not as the plant ourselves upon that ground. We canno full-orbed glory of Douglas, Pierce and Davis. speak for the Republican party; but we feel fre to say that it will spurn this decision and, when Hovereignly which is baser and more iniquitous lits day of triumph comes, as come it will, sweep Dr. CALVIN M. FITCH into oblivion the base, reckless and unju-Judges who have prostituted their high effice

to purposes so vile.
The Constitution was ordained to establish Justice and secure the blessings of Liberty to the people; and it will be worth one struggle, a least, to prevent it from being thus turned from its high aims to subscree the lusts of tyranny the people; and to the people, the covereign way to say what it har, shows its saimus, and power in this confederacy, we appeal from this decision. They understand the charter of their liberties, we hope, full well enough to re buke and defeat, at the polls, this effort to give the whole country up to the domination of the slave power.

THE NEW TABLET AND ITS EFFECTS .-- We COD sceing the government surrendered, bound hand fees to a great feer of the effects upon the inand foot to the same power which has given Kan- dustrial interests of Pennsylvania, of the new sas over to blood and desolation, clerated a tariff, and more especially as to its effects upon eak old man to the executive chair, given the the fron interest. As to its general results, we reasury, the Pest Office, the Army, the Navy take the following from the money article of the

willing servants and exhibitanted and energized by its success, pressed on to the Supremo Court, made that the echo of its will and leftno place for hops to rest upon, but the virtue of the masses of the people, to which we must henceforth appeal. Let them come in their might in the American trade, on the arrival out of the and at the ballot box root up the rotten fabric to Of course, the importers welcome it, and for-olgn manufacturers will regard it as a godsend. Instead of being an act to reduce the revenue, it is an act for the special benefit of foreign manufacturers and domestic importing agents. Bryan, on our first page, draws attention to a meantime, all orders for foreign goods that can matter which is a just subject of complaint be dispensed with, have been countermanded,

prior to that, but after that, look out for a delburgh interests in favor of competing cities uge, and a consequent wild spirit of population, west of us. That road, it will be seen, last year fostered by dealers in foreign wares.

tock off 15 of the 25 cents difference, leaving call a belance of 10 cents is a barrel in favor of the Edincinnati manufacturer. In consequence of the rainous discrimination thus oxerelased against it, the Pearl mill, at one time a thriving and flourishing concern and a very useful one to the city, was thrust to the wall and compelled to suspend operations.

The same spirit of discrimination against Pittsburgh is apparent in many other lustances and has been made the subject of frequent complaint. To go no further, we may cit on point the fact that goods carried eastward from Philadelphia for the zunn distance.

Why should Pittsburgh be subject to this discrimination? Why abould the Cincinnati or Madison miller be allowed an advantage, on a Repursive in road, over the Pittsburgh miller?

The came apartic of discrimination against production of the condition of the condition.

The came apartic of discrimination against production of the condition of the conditio At this juncture the American Congress has Pennsylvasia road, over the Pittsburgh miller? | considerately stepped in and lent a hand to-When the county of Allegheny was induced to wards "getting rid of the competitors who are

> members of Congress from this State did all they could to prevent the passage of this bill. Not so their Democratic colleagues. | The Washington correspondent of the Philadelphia North Ameri-

can writes:

"The Democratio members from Pennsylvania "The Democratio members from Pennsylvania, who were present, voted with the party, and to eave the new Administration from the responsibility of revising the tariff. Perhaps the day may come when the poisoned chalice will be commended to their own lips. It is a hard and end blow at the interests of Pennsylvania."

In the procession which escorted Mr. Buchancheaply, in spite of the tax, surely Pittsburgh an to the capitol on the day of his inauguration Mr. Bernhisel, of Utah, was one of the marshale. is saked, is, that Pittsburghers shall be put up. It is supposed that this choice was intended to m the same basic as their competitors.

At the discrimination is made to coerce our Mr. Buchanan having no wife and Mr. Bernhlesi
