A GREAT NATIONAL WORK.

Commencing a series of valuable Books by SUBSCRIPTION ONLY:

An Abridgement of the Debates in Congress,

FROM 1789 TO 1856.

From Gales & Seaton's Annals of Congress—from their Register of Debates—and from the Official Reports and Debates by John C. Rives.

By the Author of "Thirty Years' View."

To be completed in 25 vols., 750 pages each, comprising what is now contained in over One Hundred Volumes.

THE price for each volume, in law binding, will be $2.50, (not much over one half the usual price for law books,) or $3 in the best cloth, payable as delivered.

The first volume is now ready, and the work will be continued every two or three months till the whole is complete.

The large expense involved in publishing this work has induced us to offer it by SUBSCRIPTION ONLY, and we, therefore, specially invite the co-operation of our fellow citizens in all parts of the Union to send us their names early, with directions how the volumes shall be forwarded.

The Debates have been accruing for a period of nearly seventy years and fill more than one hundred volumes—one third of them and more cannot be purchased for less than Five Hundred Dollars, nor read when purchased except as a literary curiosity, nearly three fourths of them when wanted except upon tedious search. In the mean time, they contain the history of the working of the Government from its foundation—showing what has been done, and how it was done—and shall light upon the study of all impending questions, for there is not a question of the day, and will not be while the Government continues, which may not be illustrated by something to be found in these debates.

The following letters have been received:—

Wheatland, near Lancaster, Nov 17, 1856.

My DEAR SIR:—It affords me pleasure to become a subscriber to Col. Benton's Abridgement of the Debates in Congress, from 1789 to 1856. From the long experience of the Colonel in public affairs, his commanding talents, and his accurate and extensive knowledge of the political history, we may expect that these works will add to his own fame, and prove highly valuable to his country.

Yours, very respectfully JAMES BUCHANAN.

Lexington, Ky., Jan. 6, 1857.

DEAR SIR:—In answer to your letter of 24 inst., I have to say that I know of no man in the United States more competent than Col. Benton, to undertake an abridgement of the Debates in Congress, and I take pleasure in becoming a subscriber to the work. Yours truly,

JOHN C. BRECKINRIDGE.

Boston, Dec. 20, 1856.

MY DEAR SIR:—I have already subscribed for ten Debates of Congress in this city. Col. Benton's eminent services and reputation as a statesman, his familiar acquaintance with our parliamentary history, and his undoubted ability, are sufficient guaranty for the faithful execution of this work.

I am, dear sir, respectfully yours, EDWARD EVERETT.

Of this work Governor Chase, of Ohio, says:

Executive Office, Columbus, Dec. 3, 1856.

DEAR SIR:—The publication of Col. Benton's Debates in Congress, by Colonel Benton, commends itself to the favor of all Americans. The work itself is most important. It will place within the reach of thousands, otherwise inaccessible, a vast treasure of historical facts, and will be valuable to the present generation—the discoveries of the past—deeply interesting themselves, but even more interesting as exhibiting the germs of the great events of the present, the procession of which is yet passing before our own eyes.

And no man is so well fitted for this work as the gentleman selected—when he has undertaken it. His large experience in the public councils, and his comprehensive mind, afford ample guaranty that nothing will be retrenched which should be retained, or retained which should be retrenched.

Very respectfully yours, S. P. CHASE.

The Hon. Judge Ware, of the United States District Court of Maine, says:

A fathoming Imperial Abridgement of the Debates of Congress, from the organization of the government to the present time, will be a work of very great value to every man who feels an interest in the affairs of his country. Mr. Benton's long experience in public life, familiarity with all the great questions of national policy which have agitated the country, and been discussed in Congress for the last thirty years, and our kindred relation to it, will recently qualify him for such a work.

Portland, Feb. 11, 1857. ASHUR WARE.

The Greatest Medical Discovery OF THE AGE.

DR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures every disease of the human system, from a common *Pimple*

to the Leprosy. It is also warranted to cure all diseases of the Blood, Skin, Liver, Stomach and Bowels, after all other remedies have failed except in two cases (both dumb waiters). He has cured upwards of one hundred cases, and not one has failed. Two bottles are warranted to cure the worst kind of Erysipelas. One to three bottles will cure the worst kind of ringworm. One to three bottles will cure the worst case of Salt Rheum. Two to three bottles will cure the worst cankers in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of Scrofula.

Two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure all humor or pimples on the face.

Four to six bottles are warranted to cure the worst case of Tetter.

Two bottles will cure any eruption of the skin.

Two to three bottles are warranted to cure the most inveterate case of Rheumatism.

Two to three bottles are warranted to cure the worst case of ringworm.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula. A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have to vain tried everything else, as to take a few bottles in the 4th or 5th of a common weed growing in the pastures, and alone old stone fence. But we say to you, try it, you have nothing to lose and a great deal to gain by a trial. If you have a humor it has to start. There are no two persons alike, and no two constitutions are cured alike, and not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects, and would say that I has already done some of the greatest cures ever done in Massachusetts. I gave it to children a year old; to old people of ninety. It has cured persons from the age of one month to eighty-five. Remember, when you have used the first bottle, if you do not get rid of the humor, you will be convinced that it is working a cure. Do not get discouraged, but persevere, and a perfect cure will be the result.

To those who are subject to a sick headache, one bottle will always cure it. It never fails to give relief to costive bowels. Some who have been costive for years, have taken it and been regulated by it. When the bowels are costive it works quite easy, but when there is any derangement in the functions of nature, it will cause very disagreeable feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it. Unlike other medicines, when taking it you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that could be extended to. No change of diet is ever necessary—eat the best you can get. I have known persons to live entirely dimmed in sweet oil, dissolve scrofulous swelling of the neck and under the arm. Price 50 cents. Price of the Medical Discovery $1 per bottle.

DIRECTIONS FOR USE—Adults, one table-spoonful per day. Children over eight years, dessert spoonful; children from five to eight years, tea-spoonful. As no direction can be made applicable to all constitutions, take enough to operate on the bowels twice a day.

DR. KENNEDY gives personal attendance to bad cases of scrofula.

Sold, Wholesale and Retail, at Dr. KENNEDY, 149 Wood street, corner of Virgin alley, and J. P. FLEMING, 416 Liberty street.

Fifty cents per box. Sold by druggists and by mail, on receipt of price, by R. RADWAY & CO., No. 162 Fulton st., New York.

Radway's Ready Relief is unfortunately acknowledged, and particularly here, where it has become so popular in family medicine, that it is sold by many of the grocers, as well as druggists, it would seem needless for further evidence; yet as there are doubts and fears in the minds of many, that a wine containing alcohol will suffer from Dyspepsia in one or more of its dreadful forms, we have to inquire the following testimonial, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick
