By his present discovery, which has real ally cured him and many others in a few days, he offers to the world a great blessing, or any opinions and feelings in the system, but on the contrary, it purgates the system and gives a healthy action to every part. It will act really on co-lonly on the liver, but it gives a healthy action to the stomach and liver. You can eat and drink your usual dieting, which will not interfere—the medicine always doing its duty—called

How important it is, to a poor patient who has been suffering for many years, to point him to a remedy that he can rely on, and radically remove the CAUSE that has made him sick. It is like a meteor flying upon the at the first glimpse of a lightning-a distant mountain or river.
