CATTLE MARKET.

There has been mme irregularity in the Catile marks he past week, twing to the effort of the city authoritie

market.

The City Sicck cales were closed perturbay, by order of Councils, the order of the city authorities being to weigh only on Thursday and, Saturday. Europasers yesterday, had to drive their catile to the Diamond to be weighed. The surveity of oatile makes it the more difficults to establish then see market days.

BEBVES—sures and priors have again advanced. On Thursday 170 heat of were effected and 115 head on Monday, all of which were soil, the market closing firm. Sales at

Alleghent, April 7, 1857.

Toleno, April 6 -R. J. M. Ward, convicted Gazette say

DB. BAUMBACH id his travels on the cape of Good Hope says: I found very frequently among of the Datch Boors of the back country, Ager's let Cherry Pestoral, which they keep hung up by a thong around the neck of the bottle to a prig over of their hammocks. Indeed this seems to be their his being around the neck of the bottle to a prig over of their hammocks. Indeed this seems to be their being protection against the throat and long disorders which are quite prevalent among them.

I thought it a speaking comment on the practical coal genius of the American people, that they should furnish the staple, I believe the only remed the same of the protection and the coals. Acking if they unded the same manufacturers Fills, they told me that any body could prepare.

CINCUSDATI, April 6.—Flour remains dail and prioces nominal, amalt saics of choice bakers brands at \$5,05@5,10; the receipts are rather than the protection against a thought of the best country. Ager's the Day of the protection against the the protection against the theory and the provided the same below the receipts are rather to first the conductive at \$5,05@5,10; the receipts are rather than the protection against the start of the Day of the Provided and the same and the provided the same than the provided the same and the provided the same than the provided the same

reezing. Sunday was a charming April "alternate showers and sunshine" tompting freezing. Sinday was a carboning apir day, "alternate showers and sunshine" tompting the say to flow anew in trees and the tender buds to swell. It seemed as if Spring with balmy fin-gers were indeed about to unfold the promise of autumn and gladden the sense with blosser and flower. Monday came, and with it the

and flower. Monday came, and with it the biting air, the driving soow, and at evening the clear bright moon and the searching wind.

We hope nevertheless, that iour farmers and horticulturists, are not doomed to another seed on of disappointment. Several with whom we conversed upon the subject yesterday spoke hopefully of the prospect and expressed the spoke hopefully of the prospect and expressed the same of the popular that there, was no damage done as yet. We have examined the Ohio papers but can find away fow complaints in this regard. The Cincianati Commercial says, however, that come varieties of Peaches are entirely killed, not a flower but is left alies upon a tree; others have a small number in good, sound condition, which responded to the gonial influences of the warm shower of Monday, and are bursting into bloom, the service of Monday, and are bursting into bloom.

PAR Sull. AMUSE MENTS.

All Advertisements of Concerts or Public American Transport of Concerts or Public American Transport of Concerts or Public American Transport of Montay. He are the American Transport of Montay and the surface of the warm shower of Monday, and are bursting into bloom. cinnati Commercial says, however, that come varieties of Peaches are entirely killed, not a flower bud is left alive upon a tree; others have a mail number in good, sound condition, which responded to the genial influences of the warm shower of Monday, and are bursting into bloom, so that a partial crop may be expected, if the later freets do not effect them. Cherries promise abundantly. Pears have escaped; except seems of the sorts that had protraded their buds in Fobrusy. Apples, our standard fruit, are loaded with healthy buds.

Wo are, nevertheless, inclined to the belief that the froits will come out well yet. As a general thing to trees hereabout we think have been seduced, as yet, into coming out in Spring dress. Lot us trust in the good Providence that contains a finish the frait. Autumn will come to us with songs and joy and fill the garner and the store house of the thirty and the industrious, in spite of predictions to the contrary.

predictions to the contrary.

ROWDIES IN BERMINGHAM—Three individuals were committed to jail for trial yesterday, on charges of aggirsvated assault and battery; proferred against them by William Livingston, constable, and Solomen Sals, a verpectable cities of the above borough. The circumstances of the affair are as follows: There was some kind of an exhibition held on Saurday last as the Town Hall, in the Diamond, Birmingham, at which William Thompson, John Kunzler, and John Harrow, attempted to gain o free-admittance. The coastable and hir. Sals a stempted to prevent them; when they were assaulted by the parties above named and injored sowerely.

Kunzler was convicted of assault and battery in the Criminal Courteome days. Ryo, and will probably not escape so easily this time, having only been fined \$10.
