MEDICINE.

Health and Strength must Inevitably follow its Use
BOERHAAVE'S
HOLLAND BITTERS

THE CELEBRATED HOLLAND REMEDY FOR
DYSPEPSIA,
DISEASE OF THE KIDNEYS,
LIVER COMPLAINT,
WEAKNESS, OF ANY KIND
FEVER AND AGUE,

AND the various affections consequent upon a disordered Stomach or Liver. Such as Indigestion, Acidity of the Stomach, Heart Burn, Flatulency, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles, Pain in the Head, Dizziness, Neuralgia and Nervous Affections, it has in numerous instances proved highly beneficial, and in others effected a decided cure.

Nature finds no new enemy to combat, with this delightful tonic in the system. Its effects are almost magical, yet the cure is permanent. It is communicative as violent shock to the system, not by arousing its mind energy to mental action, enables it to throw off the cause, and then gradually eradicates the disease.

When its medicinal virtues are so universally acknowledged, and particularly here, where it has become so popular a family medicine, that it is only by many of the grocers, as well as all the druggists, it would seem needless to offer further evidence; yet as there are doubtless some who have not proved its excellency, and still suffer from Dyspepsia to one or more of the above-named forms, it exhibits the following evidences, the authenticity of which cannot be doubted, coming as they do from persons so well known.

What it is doing for the Sick!

Wm. Schuchman, Esq., the well known stereotype, says: "I have frequently used Boerhaave's Holland Bitters, and have found them a most excellent remedy for Dyspepsia and Liver Complaint."

Rev. Nathaniel Babcock says: "I found special relief from its use for a severe Sick Headache, with which I had long suffered."

T. W. Woodwell, Esq., says: "I have used Boerhaave's Holland Bitters myself, and recommended it to others, knowing it to be just what it is represented."

Mr. Jonathan Neely, of Lower St. Clair, says: "I have derived great benefit from its use for weakness in the back and loins."

Mr. Murphy says: "After several efforts, I was induced to try Boerhaave's Holland Bitters, and found relief in a very few days, and am now entirely restored to health."

Mr. Daniel Bailey, of the Exchange Tavern, says: "After one of the best physicians in this place had failed, Boerhaave's Holland Bitters cured me in the worst form of Dyspepsia."

Mr. Daniel Bailey, of the Oakland Nursery, invites all to call at his residence, Penn street, Pittsburgh, and he will cheerfully certify to the wonderful cures performed by this medicine.

Dr. Schoyer, editor of the "Packet," Baltimore, pronounces it a valuable remedy for Dyspepsia and Liver Complaint.

Mr. Barnhart, the leading German Physician of Pennsylvania, says: "I frequently during the last 9 years, with continued success, in established cases of the digestive organs, used the above medicine."

The manager of Italian's Vineyard Factory says: I used with trouble with the worst debility, coupled as all cases of consumption usually are with it, in doing her house work, and by the use of Boerhaave's Holland Bitters was entirely restored to health."

Those who are in search of a remedy for Dyspepsia will do well to call and get a pamphlet containing a full description of the above diseases, and the wonderful cures performed by this invaluable medicine.
