Dealers in
Fine Clothing!
261 *BROADWAY,*
Second door above the AMERICAN MUSEUM.---*NEW YORK.*
WOULD suggest to the Trade that they will be prepared for Spring sales with their usual extensive stock of the qualities of
READY MADE CLOTHING.
In relation to which they would suggest, that the facility with which their goods can be fitted, every garment being marked in length and breadth, the sizes also being varied to suit different proportions of the same measure should give them a preference over any clothing, the sizes of which are indefinitely marked. The difficulty of readily suiting persons from that fact, it is presumed, has been very generally felt. To this a very strict attention is directed in a determination to make our garments equal in every respect to the best custom work. fe6:3m4v
