NEW YORK ADVERTISEMENTS.
FROM VISSCHER, OWEN & CO., GENERAL NEWSPAPER ADVERTISING ROOMS, (Appleton's Building,) *No. 346 and 348 Broadway, New York.*

HEALTH DEPENDS UPON PURE BLOOD—Thin and acrid blood cannot secrete healthy bile, and therefore the first thing for those who are dyspeptic should be to commence the purification of their blood.

BRANDRETH'S PILLS

Not only purify, but they make the blood richer, and add those principles upon which its power to resist disease depends.

Mild operation with successful effect are the peculiarity of Brandreth's Pills. Now that we may more expect general Spring, it is of great importance that a few doses be used by the wise. Our troops are subject to a redundancy of vitiated bile at this season, and it is as dangerous as it is prevalent; but Brandreth's Pills afford an invaluable and efficient protection. By their occasional use, we prevent the collection of those impurities, which, when in sufficient quantities, cause so much danger to the fine organs of the stomach and bowels. They soon cure liver complaint, dyspepsia, loss of appetite, pain in the back, heart burn, pain in the breast bone, sudden faintness, and costiveness. In brief, Brandreth's Pills work their way to the very roots of the disease, cleansing in their passage receiving every unhealthy accumulation, till the blood is purified, the whole system renovated, and the functions and duties of life become a pleasure, where before they had been sad and weary burdens.

We have thousands of similar testimonials to the following, and such evidence can be had from living witnesses all around us on every side. It is from a gentleman of high respectability, whose letter can be seen at the Principal office, he writes:

"I am now fifty two years of age. * * * *

For twenty years I have used your Pills as my family medicine, and I wish no other; and have never had any occasion to call a physician in my family, save in the sickness of my wife with childbirth during the twenty years."

THEIR MEDICINAL PRINCIPLES.

Never exceed, but, flood it as it may, by obstructing it in painful disease you may occasion the patient care, but *remember this case is only the reduction or lessening the power itself.* And by thus taking away nature's tools, you cripple her forces fully wasting the means of inflammation, and convert what might only have been the sickness of a few days or weeks into a chronic affection of years.

SUCCESS BY MEANS OF BRANDRETH'S PILLS.

This is the means which accords with nature—nature's remedy in fact. When sudden, acute or continued pain occurs, then is insure security you must take a medicine that will surely purge. There must be no chilly shuddering because every minute lost may be fatal.

Principal office, 25 Brandreth Building, 418 and 417 Broadway.

All Pills with 241 Broadway on the box, are counterfeit. The genuine are sold by respectable dealers everywhere
