PITTISBURGHE: ATURDAY MORNING, MAY 9, 1867. OFFICIAL PAPER OF THE CITT. IN WRITE GALFTER OF THE CONTENT IN WRITE OF CONTENT IN REWOID MURDER. WE toosited a lat- setterday, from Newburg, New York, stat- hat the Coroser had received as anonymous manifestions dividing him to have a descrip- of the surfered female published in Pitt- b, and that har friends would recognize her actions dividing him to have a descrip- b, and that har friends would recognize her the description. We are accordingly re- ted to publish the following: Trail Spectrasces of body of female found urdered sear Newburg, or Thursday, April 1, 1867. Is fire feet four isshes; form alender; skin hair very fark brevus; shared off from to of forehaed, for a space of about.one inch is traight, rather small: eyes light hesel; is this, rather such; check home, about is ful longth; theth regular and in good of the include incloor filled with gold co r, that long; hands delioat; fingers long lender, skin on end and elds of foro finger is hand have end and elds of foro finger is hand have find end of the offer shared offer of the state of a sear and elds of foro finger is hand have end and elds of foro finger is hand have finder add with gold co	sitentical. It surprises every one, to note the samount of heating performed with and hain considerable quantity of gas. Now that the warm weather is coming on, when our kitchene become so unsufferably warm, and cooks sweat and sweiter, who does not desire to see a near for shore, with its one, two, or three burners, imagurated in place of the huge soot covered Range, or store. We searce can vesture to peak our views of the conveniences and ecodomy of these stores. Think of a fat joint or turkey under a giass cover, over a jet of Gas, reasting as you watch it, youg store regulated by merely turaing on or of the supply of gas, and the heat is intense, and much more regular than you could have in your cost-store. We adrise hourskeepers and all others who feel an interest in the subject, to call at the rooms 78 Third street, as Market, and exem- ine this mean investion for themelves. "It think your Book keeping. "It think your Book keeping. "It this your Book keeping. and 186 to 192. It is evident that you have brought to the study of Book-keeping a clear head, which of course had lot one of that clearness by long cultivation of an accurate soinnee. It is imposible for any one to make the subject of accounts more easy of compre- hension to the young beginner; and what is of- ten still mere difficult to do, you have made it so to the old learner." We have the old learner." We at the game difficult to do, you have made it so to the old learner." We at the parts.	Naw Yoar, May 8George Cunningham, the son of the accused Mrs. Cunningham, testified that Eakel was at breakfast on the morning suc- ceeding the murder, In direct opposition to the statument of young Snodgrass. Helen Cunning- ham testified also, but nothing new was elicited announced that the testimeny on both eides would be finished to-night. [SECOND DESPATOR.] Halen Cunningham said abe had no knowledge of the way Dr. Burdell came to his desth, how be was killed, or who committed the homicide. Augusta Cunningham made a similar statement. The case was closed for the defence, when the District Attorney said he should not introduce rebutting testimony. The Court said it would allow four hours to cach counsel to sam op The Court then adjourned till Staturday. WASHINGTON, MAY 8The Cabinet to-day, were almost exclusively occupied with Kanass affairs, Mr. Walker being present several hours the will take the eath of office as Governor here, before leaving for Kanasa on Monday or Tues- day. The official and private account adily re- ceived, induce both him and the administration to believe that there will be no serious, if any ob- struction to an adjustment of the pending diffi- culties in that territory. Murphy, who recently had a difficulty with Bichlee, has been removed as Engineer of the Brooklyn Navy Yard. Darros, May 8A Gorman blacksmith, named Henry Salthouse was murdered last night at a groocry, kept by Philip Waiz. He was set upon by four other Germans, dragged out of the bouse, and dispatched with bricks and knives. The markes the second murder in Dayton this week, and, strange to eas, the victim in both ca- ses were blacksmits. The murderers have been arresied and are now in isil.
