## THE VERDICT OF THE CITY

The Mayor's Office - Frederick Schomberg, when he called yesterday on having been committed to jail on a charge of bigamy, by Alderman Morrison, was further hearing before the Committee on Monday afternoon. It is reported that he had been married, in August, 1856, when he first arrived in this country from Germany, to Frederick Farkner, a lady, the name of whose name was given as Mrs. Schomberg.

The second marriage took place in January, 1857, when she was married to Joseph Schomberg, (the present) certificate of which was produced, and the fact of which was admitted. Some cannot control between the Schomberg and Schomberg, and the lady, Mrs. Schomberg, and went to reside with her sister, Mrs. Schomberg, in the vicinity of the Schomberg, in the City of New York.

Dr. Beckwith in his travel on the Cape of Good Hope says: I found very frequently among the Dutch House of the Cape country, *Asper Cherry Petal*, which they keep hung up by a string around the neck of the bottle to keep off their lameness. Indeed this seems to be their sole protection against the throat and lung diseases which are quite prevalent among them. I thought it speaking comment on the great origin of the American people, that they should form the staple, I think it is very surprising that the people here, who are said to be of the same stock as the Dutch, should not be more acquainted with the medicinal uses of this plant.
