As no odor proceeds from the preparation, the glove can be worn *immediately* after it is cleaned. With a piece of flannel, apply a small portion of the preparation very lightly, and the dirt will instantly disappear. It is the article used by the Kid-Glove Manufacturers of France to impart that purity of finish and softness for which their gloves are so justly celebrated. It cleans Kid slippers and white and colored kid gloves elegantly. It is also an excellent article for the toilet and for beautifying the complexion, removing tan, pimples, &c., for shaving, and is the very soap of the thousand and one preparations usually sold for that purpose. One trial, at the trifling expense of 25 cents, will convince any one that the article is all that it is claimed to be. Try it, please, if but 25 cents, and you will never wish to be without it. It can be obtained of all the Dealers in Fancy Goods in Pittsburgh, and as wholesale, of the sole proprietors, CLARK & CO., 535 Broadway, New York. A liberal discount to the trade.
