5. of the Great sound. Increasing and ampetuous of the decision of the Supreme Court of the United Supreme Court of the Supreme Court of the United Supreme Court of the United Supreme Court of the United Supreme Court of the Supreme Court of the Supreme Court of the United Supreme Court of the United Supreme Court of the United Supreme Court of the Supreme Court of the Supreme Court of the United Supreme Court of the Supre a ed his mind to wander off to his Western home,

the pilgrim could walk upon their glassy bosom with safety. This was too much for the creduivate cuts in our paper up to first instant, and lity of the Saracen, whose body was never chil. who will miss them since we have donned our new with miss them since we have donned our new dress, deserve a word of explanation. We have omitted from our advertising columns all private cuts, and insert only those small metal-lie cuts which we purchase with new type, and which custom has rendered it necessary that which custom has rendered it necessary that led by the touch of the Frost King. Not to be out-done, however, in attachment to his country, he informed the astonished Crusader that in his own bright land, they had a sacred plant, which which properly used, could confer, for a time, on which custom has rendered it necessary that we the poorest begger all the glories of paradise .should retain. This was done for two reasons: it could send him in dreams to the highest of first, because most private cuts which had been heavens, and cause him to forget all his griefs, in uso some time, with worn type, would have in the vast panorams of happiness and enjoyment been too low to give an impression when surpresented to his vision. The Saracen'alluded to rounded by new letter; and second, because we opium, and to it use may be traced the downfall dislike to mar the appearance of our new dress of his race the desolution of his cities and the by the insertion of cuts, and could not at any

overthrow of the government that once ruled the other time exclude them from our columns without an appearance of injustice. We earnestly hope that in this enlightened We have endeavored, in re-setting those ad age that a habit so certainly destructive to human happiness and prosperity, will not be do justice to our patrons by the display of head-

permitted to seize hold of the people or the ings, and we have improved the typographical appearance we have improved the typographical appearance of the *Gazette*, and that our advertising patrons continent.
