But we cannot pause longer on this point and lived beside him for many years. Of him we inpass to his remarks upon Utab, from which we quired into the reputation and private character of our candidate, and he freely stated that they "If there is any truth in the reports we om Utah, Congress may pass what laws it receive are above reproach; that, in his daily walk and B may pass what laws it of

"If there is any truth in the reports we receive from Utab, Coggress may pass what laws it chooses: but you can sever rely upon the local tribunals and juries to panish trimes committed by Mormons in that territory. Some other and more effortual rem-edy must be devised and applied. In my opinion the first step, should be the abeloute and uncondi-tional repeal of the organic and onlines, density for its devised and applied. In my opinion that they are alian ensuits and uncondi-torial government out of existence-upon the ground that they are alian ensuits and onlines, denying their alignines and defying the authorities of the inited States. [Immense applane] "The territorial government once abolished, the country would rever to its primitive condition prior to the sact of 1850, 'under the sole and exclusive jurisdiction of the United States, and abould be pia-eed under the operation of the sact of Congress of the pro-stavery party insteader and anondatory thereof, furviling the ast shere unade against the falsehood and leave the public to judge between them. For the public for unset against the United States and mandatory thereof, furviling for arm sons AND exclusive jurisdiction of the United States and them in the St. Louis Republican, where this speech is published.] ' Happy thought! Squatter Sovereignty, then art safe! Congress must not interfere with the local affairs of Utah and to have the related the approximal y afforded by your an-portant of the organic and therefore with the local affairs of Utah sard to the territor with the local affairs of Utah and to the territor with the local affairs of Utah and to the territor and therefore with the local affairs of Utah and to the territor with the local affairs of Utah and to the territory in the devised by portunity afforded by your an-tor and the sevent the territory in the provention for and therefore the publick of Utak and the art to the territory in the provided by your an-tor the supon the sevent to the territory in the and therefore the publick

art safe! Congress nust not interfere with the local affairs of Utah, and to that end it must in the first place arguing the difference of the conventional states of the conventional

local affairs of Utah, and to that end *it must* in the first place exercise the highest power of Congress in interfering with it, and remand it into its original condition, so that the United States may get a fair chance at it. Thus Squatter Sovereignty is preserved by a doable interference with the affairs of Utah, on the principle, we presume, of two negatives ma-king an affirmative; or on that of the boy who stubbed his toe and turned round to kick the "rock on which he split," to neutralize the pain

stubbed his toe and turned round to kick the "rock on which he split," to neutralize the pain of the first blow! Is'nt Mr. Douglas floundering in the sloughs a little and "sort of playing" "Turs amount of bonds issued by Pittsburgh to the three defaulting roads named is, we believe \$1,100, 000, and by Allegheng county, \$1,400,000-in their respect and regards. It is not neces-\$2,500,000. The authorities of Pittsburgh pretond that the city charter probibits an increase of the the source method of the Withing to the sary to employ your space in adding many that the city charter probibits an increase of the the source in this is necessary, as his

The amount of bonds issued by Pittsburgh to the three defaulting roads named is, we believe \$1,100, 000, and by Allegheny county, \$1,400,000-in all \$2,000,000. The authorities of Pittsburgh pretond that that eily cannot pay without legislative adi-or that the eily charter probabilit an increase of the present rates of the eily tax, and also prohibils a further increase of the funded dolt. So that the eily can neither raise the monoy from taxation, nor borrow the requirite amount to pay. Admitting all this to be true, the eiline of Pittsburgh, if sincero-ly desirous to maintain the eily's credit, might have overcome the difficulties presented by increasing the valuation, which is said to be much too low. This h as not been done.—*Philodelphi Ledger*.

The "citizens of Pittsburgh" have no more legal right to revise or increase the valuation le purposes than have the citizens of Philadelphis to do it for them. The city is, by

aw, compelled to take a valuation over which

Special Motices.

Philadelphis to do it for them. The city is, by law, compelled to take a valuation over which she has not the least particle of control, as the basis of farming and when the Councils as the time Legislature for the power to rovise that val-uation it was refused, the Senators from Phil-adelphis aiding in the refusal. Indeed we pan-not see why Philadelphis should make so much complaint of our city in this matter. It is not the fault of Pittsburgh that she is not able to pay the interest on her bonds, but the fault bill to the legislature to remove her legal disa-bilities; but because that bill taxed the Insurance Companies of Philadelphis that thare agencies in this city and make money off our citizens, the Philadelphis Benators aided in defoating the bill. They preferred to see the Philadelphi holders of Pittsburgh bonds go unpaid, to see and off the since and for the only child. The remety ing a tax loried for their payment on Philadelphi his chylia feature of the childelphis the active of the childelphis is that a speaker it was this feature of the disaber and being of preparison it was this feature of the childelphis that a speaker it was this feature of the childelphis in that speaker it was this feature of the childelphis in that speaker it was this feature of the childelphis in that speaker it was this feature of the childelphis that a speaker it was this feature of the childelphis in that speaker it was this feature of the childelphis that a speaker it was this feature of the childers in that city characterised as "odious and objectionable."— Philadelphis is perfectly willing to seen the tity characterised as "odious and objectionable."— Philadelphis is perfectly willing to seen the capital here and get a profitable return for it: but she is not willing to have it taxed in the city characterised as "odious and objectionable."— Philadelphis is perfectly willing to seen the city characterised as "odious and objectionable."— Philadelphis is perfectly willing to seen the city characterised as "odious and

Philadelphin is perfectly willing to send her cspital here and get a profitable return for it ; but she is not willing to have it taxed in the city in which it is employed, even though the tax should be to pay the money due to other Phila-delphia capitalists
