Pittsburgh Gazette.

PROPORTION OF MILK TO BUTTER.—The following account is compiled from Johnston's statement of the yearly produce of a cow, in Scotland, England, Holland and Switzerland: *Ayrshire cow*—135 pounds, or one pound of butter to a little over eight quarts of milk. In Holstein and Lunenburg it is considered, on an average, that fifteen quarts of milk will yield only one pound of butter. In most districts the average of the whole year is much less than a pound a day, even for ten months only. In Devon, for the first twenty weeks after calving a good cow will yield twelve quarts of milk a day; from which, by the milk method of scalding, a pound and a quarter of butter can be extracted. In South Holland a good cow will produce, during the Summer months, about seventy-six pounds of butter. In the high pastures of Scarnin, Switzerland, a cow will yield during the ninety days of Summer, about forty pounds of butter, or less than half a pound a day. In Holstein and Lunenberg it is considered a fair return if a cow yields 100 pounds of butter; and even in England, British Husbandry, I p. 404, 160 to 180 pounds is reckoned a fair annual produce for a cow, or from eight to nine ounces a day for ten months in the year." *—Johnston's Ag. Chemistry.*

E. & J. HOLMES'
IMPROVED SEAMLESS WHALEBONE SKIRTS.

WE TAKE PLEASURE IN AGAIN INTRODUCING our Improved Skirt, as being the most acceptable and reliable article in market as we are aware that many new styles called improvements are before the public—such as India Rubber, Gutta Percha, Cloth, &c., all of which we have called for—but cannot recommend them, as we have experimented with and tested them all—most of them two years since, submitting them to the judgment of competent ladies to decide upon their merits, and have found them from a variety of causes, important respects, decidedly inferior to our properly prepared Whalebone, which has been in use the past two years, and for the satisfaction and wear it gives, is unsurpassed by any other Skirt in the market. Therefore we confidently recommend our Skirts to be the least objectionable of anything in use, possessing many advantages. And as we offer nothing new, the important part of which is our *entire of Elastic Cords* at the bottom, which prevents the unpleasant flare, so much complained of, and which is used instead of tapes, and will recover its place when pressed out of shape, rolled and pressed, and can be washed by heat or cold and can be washed without injury. These cords at the bottom, instead of the tapes, make the Skirt more awkward and inconvenient, with our cords prepared in the above and a fabric manufactured by ourselves expressly for our goods, in our own estimation, and those of many others who have used them, produce a Skirt, and the only Skirt equally adapted to the form of the figure, the street, and the crowd, giving a proper, graceful and elegant form at all times, and more light, pliable, easily adjusted and in every respect a complete article. The public are cautioned against all imitations or other goods called Seamless Skirts. Every genuine article is stamp—E. J. Holmes' Improved Seamless Whalebone Skirt, and are for sale at 99 Maiden Lane, Philadelphia, and in the principal Jobbing Houses in New York and Boston. E. & J. HOLMES & CO.

NEW LIFE—"GOD BLESS IT! IT will never be forgotten!" so soon as Radway's Relief was given, and an application of it made to his bruised and mangled body, all pains and uneasiness ceased, and a new life was induced within his system."—T. D. Spring's letter of Lacyville, Pa.

Expressions of thankfulness coming from the souls of those whom our Remedies have restored to life, is a source of pleasure to us beyond all earthly blessings. On the receipt of every new letter of thanks, from a recovered invalid, who through the efficacy of Radway's Ready Relief, Regulators and Resolvent has been raised from a bed of pain, misery and long sickness, and restored to the enjoyment of redolent health, we feel that our efforts have not been fruitless, and the angel of truth with healings on its wings, will not knock at the gate of Paradise in vain The case we prefer to above is truly astonishing, (no one who knew Spring, thought he could live—but not more so than many other miraculous cures, performed by these remedies even when death had seized the patient, their use have restored the death-stricken back to new life.

RADWAY'S READY RELIEF.

There is no pain so severe, no disease so acute, no pestilence so terrible and fatal, but that the Ready Relief will check, cure and prevent. This Remedy has been proved to be both a quick cure and positive preventative, of cholera, yellow fever, ship fever, dysentery, fever and ague, scarlet fever, small pox, and all malignant and dangerous diseases. Its quickness in stopping pains, allaying inflammations, soothing the most terrible paroxysms of acute and inflammatory diseases, and the rapidity with which it checks sudden and violent attacks, and restores the whole system to the enjoyment of ease and comfort, and renders it a blessing to all who live in places where medical aid is difficult to obtain. Every family should keep Radway's Ready Relief in their houses. If in the night you are seized with pain, ache, or sickness of any kind, either in the head or bowels, stomach nerves, or any other part of the body, a few drops of Radway's Ready Relief will in a few moments, remove all pains and uneasiness.

SNAKES—DOGS—CATS.

If you are bitten by a rabid dog, or scratched by a spiteful cat, or bitten by a venomous snake, or other reptile, Radway's Ready Relief poured into the wound, will neutralize the poison, and prevent inflammation or mortification taking place. Also, several cases of many hunters who have been stung by snakes and other poisonous reptiles.

THE AGED.

All infirm, weak, feeble and aged persons, will derive lasting blessings from the use of Ready Relief. The stiff-jointed crippled, and rheumatics, will become supple, elastic, strong and vigorous, in every limb and joint of the body, by its use.

MOTHERS.

If you will resort to Radway's Relief when your children are taken sick, with croup, measles, whooping cough, scarlet fever, or bowel diseases, or other complaints, you will save the lives of your children.

Radway's Relief is the best remedy in the world for the cure of all kinds of pain and disease.

Is secured to all who will take one or two of Radway's Regulators once or twice a week. The weak grow strong, and the feeble, the sorrowful and gloomy are changed to a strong condition of body, and a happy flow of spirits. All who take them are delighted with their operation. All the good effects from the use of other pills are secured by the use of Radway's Regulators without entailing the evil effects of common drastic pills upon the system.

The discovery of these wonderful pills establishes a new era in purgatives, and a new principle in the science of medicine. Dose, one or two pills for a gripping pains or sickness at the stomach is experienced, they purify the blood, correct the bowels, liver and other organs in a natural and healthy condition.

Each pill that is taken gives new life to the bloody they purify and take from it all impure deposits and equalize its circulation.

One or two doses of Radway's Regulators will entirely remove the worst cases of dyspepsia, Jaundice, Nervousness, Indigestion, Costiveness, Liver Complaint, Bilious fevers, Headache, Biliousness, Bilious and Typhoid Fevers, Piles, Dysentery, Diarrhœa, Rheumatism, Gout, Rheumatism, Salt Rheum, Scrofula, Ulcers, Sores, Tumors, Fever Sores, Skin Eruptions, Barbers' itch, Dyspepsia, Gout, Dropsy, Syphilis, Consumption, Appetite, &c., &c. All constitutional and Chronic Diseases either immediately or in the remotest degree, are cured by the use of Radway's Regulators.

There is no remedy in the world that will work such miraculous cures of all diseases, as Radway's Resolvent. It changes the whole human system in a remarkable short time by the blood.

A gill dealing for on the Lungs, Radway's Renovating Resolvent, will in a few minutes check hemorrhage from the lungs or throat. In cases where the patient coughs up cups of blood, and the throat filling with blood, Radway's Resolvent will soon remove the difficulty.

Spermatic diseases and the Organs of the Heart it acts at once. A tea cup full for the worst case of spasms, or a table spoonful a pint of blood during the night She was cured in 3 days by the first dose she took.

☞A score of 25 years, cured in three weeks by Radway's Remedies. Mr. H. Kilgore, a merchant of high standing in Tuscaloosa, Ala., says: That a gentleman who for twenty or more years had been afflicted with a sore leg, that resisted every kind of treatment, was totally cured in three weeks by Radway's Ready Relief, Resolvent and Regulators.

The sick will please read our Tabular Almanac for 1857, and our Newspaper call—The Morning Watch—for interesting cases of cure, and a more thorough explanation of our system.

Dr. Eberhart, the leading German physician of Penna. has prescribed it frequently during the past thereo years with the most astonishing results in the different states of the digestive organs, or of the system generally.

The manager of Bullon's Vinegar Factory, says: "I used it myself, and was therefore induced to try its effect upon my wife, troubled with the great debility common to all of a consumptive habit, and really it is doing her more good than anything she has ever taken."

NOTICE—Wherever expects to find in this a beverage will be disappointed, but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of valuable medicinal properties.

CAUTION—The great popularity of this delightful Arcana, has induced many imitations, which the public should shun as poisons before purchasing. Be not persuaded to buy anything else until you have given Boerhave's Holland Bitters a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

☞Sold at $1.00 per bottle, or six bottles for $5.00 by the sole Proprietors.
