TH ST TH

PITTSBURGH:

TUESDAY MORNING, JUNE 30, 1857. READING NATTER, ON EACH PAGE OF THIS PAPER. Republican County Executive Committee The chairman of the late County Convention

has appointed the following County Committee for the ensuing year, under the resolution the Convention

ewickley to Allegheny Pittsburgh ...McKeesport ...Elizabeth tp ...Allegheny meet at the office of T. M. MARSHALL, Fifth-st.

near Grant, on Wednesday, July 8, at 11 o'clock A. X.

The Arctic Search.

The Arotic Search. The topic which we have chosen this morning tonishing political combinations during the comfor editorial discussion is rather frigid in its as. ing fall. sociations, and in that respect, at least, should NEW MUSIC .- "I see her still in my dreams," i prove acceptable to the reader, when the mercuballad, the music and poetry by Stephen C. ry in his often-inspected Fahrenheit is un thin the Foster. It is some time since Foster favored inetics." The poet recommended "thinking of the frosty Cancusas" to his stay-at-home asso-ciates, who were at the time sweltering in the ferrid heat of a London summer as a could be the greater anxiety to see this one. It is somewhat different in style from his former fervid heat of a London summor, as a cooling ballads, but is well worthy of his fame as a com-authority that the "Northern Hordes on the hot and dusty plains of Palestine, momentarily binding of some 80 pages entitled a History of hot and dusty plains of Pelestine, momentarity relieved their sufferings from the intensity of the heat of the "noon day sun" by going back in imagination to the crystal glaciers and frozen fountains of their Northern mountain, homes.— But it is neither with over-heated poets nor with, hot-blooded solders that we have to do this morning, and we therefore without further ceremony or preface proceed to "open up" our subject which is nothing more than the proposed expedition in search of Sir John Franklin.

expedition in search of Sir John Franklin. It is known to our readers that Sir John Franklin, who has become famous the world and though the book is quite weak in style and, Franklin, who has become tamous the work and though the book is duite weak in over not only on account of his extraordinary in speaking of the "laws," we discover some mistakes, to call them by no harder name, doubt-the Arctic sear, but also on account of the derotion to his memory of his worthy wife, has been will be of great advantage to those for whom for the last two years regarded as dead by the this book is written to know. British Government, and his name has been ac-

British Government, and his name has been ac-cordingly stricken from the roll of living officers in the Admiralty department, and a pension be-stowed on his widow and children. Some trelve or thirteen years have elapsed since he was last dafinitsly heard from, and every reasonable con-jecture and hypothesis force us, howerer unwill-ingly, to the conclusion that he and his brave

anions and followers have perished in the companions and followers have permute in the ever it is known at all, as one of the lines, in the control of the North Pole. The British government sheets that there is in this country. It went incle of the North Pole. The Drnian government sheets that there is in this country. At well, in this country, at well, the spasms of delight over the Dred Scott decised to spasms of delight over the Dred Scott decised to spasms of delight over the Dred Scott decised to spasms of the and unfortunate explorers from their unhappy fate, now paremplorily refuses to fit out or coun-tanance the fitting out of any additional expedition ting out of any additional expedition should not confine its benevolent ministrations and influence to men of tawny or sable skins should not confine its benevolent ministrations (Aris and FKS, Worder and Rout, add at the hower Exstern prices, to which they invite attention of all pur-chasers. Is the four hope and used be gathered all the poor ministration Melson's Ambrotrees fate, now peremptorily refuses to fit out or counhaving that purpose in view. Lady Franklin, having that purpose in view. Lawy Frankino, with the personvance and devotion of a true and exemplary wife, still clings to the fond hope that her husband has withstood the rigors and suffering of a succession of Arctic winters, and believes that he could yet, if another effort was find, he rescued from the perils which surround him, and be again restored to his country and family., Her petitions between to longer heeded by the Admiralty, she purposed to but an expedition the Admiralty she purposed to but an expedition the set and the transmission to the transmission to the transmission to the transmission the transmission to the transmission transmission to the transmission to the transmission to the transmission to the transmission tra the Admiralty, she proposed that an expedition at her own expense, and thus the one more ef-fort to accomplish what has now, it would seem at her own expanse sweeter mediations the Day Book and the recollections of munificent donations to the church that become the great object of her earthly existence. We think the British Government has taken a promises not to preach "abolition," come like soft airs from Paradise. correct position in this matter. Commendable
